WHEREAS the two institutions better serve the educational growth of students and the economic development of the community through cooperative educational planning and optimal utilization of community resources,

BE IT HEREWITH RESOLVED that this agreement commits the partners to full support of an articulation process between similar academic programs offered by the two institutions.
PROVISIONS OF THE AGREEMENT

1. This program articulation agreement applies to Hagerstown Community College’s Associate of Arts Degree Program, Human Services Option, Social Work Track and Salisbury University’s Baccalaureate of Arts Degree Program in Social Work.

2. The institutions agree to follow the joint program curriculum and course by course articulation delineated in this document.

3. Both educational institutions will cooperate toward developing, disseminating, and presenting the articulated program information to students.

4. Graduates of the Hagerstown Community College program who have completed the associate degree in Human Services with a cumulative grade point average of 2.0 or higher will automatically be granted admission to Salisbury University as a social work major. However, in compliance with the Council on Social Work Education’s accreditation requirements, a student’s admission to the social work professional program is a separate process which occurs during the fall of the student’s junior year and requires a 2.5 grade point average. Only matriculated Salisbury University students in good academic standing can be considered for program acceptance. Specific information regarding requirements for the program can be found in the Social Work Undergraduate Student Handbook which will be made available to Hagerstown Community College advisors.

5. All articulated course credits earned with a C or better will be accepted for transfer according to the program matrix.

6. Students intending to transfer should complete the admissions application for Salisbury University following the third semester of their associate degree program.

7. Students are subject to all the policies and procedures of both institutions.

8. Students are subject to all specific policies pertaining to students admitted to the Baccalaureate of Arts Degree Program in Social Work.

9. This articulation agreement is based on the present curricula contained in this document and it is effective for a five-year period from 2013 to 2017.

10. Both institutions at any time may initiate changes to this articulation agreement. Both institutions reserve the right to modify the programs as deemed necessary and agree to inform the appropriate individuals of said changes. Salisbury University will honor the articulation agreement for students transferring to Salisbury University by Fall, 2013.
