

## Internship Opportunities for Credit Outside of the Salisbury Region

Most of the organizations on this list have hired COMM students as interns. The most recent contact person to hire a COMM student is also listed so that you have a quick contact. In addition, if available, the most recent student, and the semester/year in which they did their internship, is also listed. Unless indicated, phone calls are the preferred method of contact.

*Should the information on the organization be outdated or incorrect in any way, please contact the COMM Internship Director.*
