

Want a Job That Makes a Difference? Explore **Green** Careers!

PROGRAM LAUNCH EVENT

Tuesday, February 18, 2025

Guerrieri Student Union, Wicomico Room | 5:30 p.m.

Students of all majors and backgrounds who are interested in making a positive difference in their communities and are looking to use their college education to build fulfilling, financially rewarding careers, are invited to discover the brand-new SU Green Futures Program.

Connect with opportunities in the rapidly growing green economy, where you can make a real difference and the work is both challenging and rewarding.

Want a job that's good for the planet and good for people, too?

Curious about how you can build a career in sustainability, conservation, green business and technology, environmental justice, policy, environmental education, or climate change?

LAUNCH YOUR GREEN FUTURE AT SU!

EVENT HIGHLIGHTS:

What are green jobs?

A panel discussion features experts who break down what it takes to succeed in the green economy. Learn about the growing demand for green talent and how your career can help tackle global challenges.

How do I find a green job?

Meet regional employers offering positions in renewable energy, sustainability, conservation and more.

Fuel your future!

Get access to top job resources and enjoy delicious food!

The event is **FREE** and open to the public
Registration encouraged to attend: salisbury.edu/greenfutures
