

INTERNSHIPS FOR HISTORY MAJORS

History internships are an excellent opportunity for qualified students to acquire skills and job experience outside the classroom with professional guidance and for academic credit!

REQUIREMENTS

- Junior or senior status
- GPA in the major of at least 3.0 (students with lower GPA may be considered)
- must be committed, punctual, organized, able to work independently, maintain prompt communications

HOW DOES IT WORK?

- Arrange the internship in advance, typically during the previous semester's advising period
- The faculty internship coordinator works with the student and a site supervisor
- The student registers for HIST 498 for 1-4 credits and receives a syllabus with readings and written assignments
- Plan to work on site 30 hours per credit awarded
