

Student Life

www.salisbury.edu/students

Committed to enhancing students' academic experiences, Salisbury University helps students succeed both in and out of the classroom by sponsoring programs and activities designed to support an introduction to university life, involvement in campus and classroom activities, and promote academic and interpersonal growth. By empowering all students to become active and successful members of the learning community, students are educated to:

- commit to academic achievement,
- lead healthy lifestyles,
- think critically and reflectively,
- appreciate individual and cultural differences,
- foster a positive balance between autonomy and interdependence,
- assume leadership roles, and
- act in a manner that best represents themselves and the University.

Instrumental in supporting these values are organizations such as the offices of Student Affairs, Admissions, Financial Aid, Registrar, Career Services, Student Counseling Services, Student Health Services, Guerrieri University Center, Multicultural Student Services, University Police, Campus Recreation, University Dining Services, Athletics and Campus Recreation, the New Student Experience program, Judicial Affairs, and Student Activities, Organizations and Leadership, and others.

STUDENT RIGHTS AND RESPONSIBILITIES

The University supports the development of an environment that enhances academic success and engenders campuswide respect for the rights of others through a broad spectrum of policies and procedures; some of these are included in the *University Catalog* and many appear in other University documents (see Appendix A). Students can fully support their participation in the University community by familiarizing themselves with the policies that describe their rights and responsibilities, found in the following publications:

PROGRAMS AND SERVICES

Air Force ROTC

Salisbury University students who desire to earn appointments as commissioned officers in the United States Air Force are afforded the opportunity to participate in the ROTC program through a cross-town agreement between the University of Delaware and Salisbury University. The selection and instruction of applicants is the full duty of the University of Delaware. Interested applicants should contact the Air Force ROTC Office at 302-831-2863 or visit www.udel.edu/afrotc/. On-campus questions can be referred to the Seidel School of Education and Professional Studies.

America Reads/America Counts Program

The America Reads/America Counts program provides qualified federal work-study students an opportunity to make a difference in the reading and math proficiency of kindergarten through fifth grade children in local schools. As tutors, federal work-study students receive a stipend for hours worked. This is an ideal opportunity for students who wish to pursue a career in education to gain hands-on teaching experience and to help elementary school students improve their reading and math skills.

Army ROTC

Salisbury University students who seek appointments as commissioned officers in the United States Army may participate in the Army ROTC program through a cross-town agreement between the University of Delaware and Salisbury University. The selection and instruction of applicants is the full duty of the University of Delaware. Instruction of this program is provided by ROTC personnel at off-campus locations. Transportation assistance is provided by Salisbury University. Interested applicants should contact the Army ROTC Office at 302-831-8213 or e-mail army-rotc@udel.edu. On-campus questions can be referred to the dean of the Seidel School of Education and Professional Studies.

Blackwell Library

Blackwell Library is at the center of the campus. Its resources include electronic books and journals, more than 100 online databases, unique materials such as film press kits and special collections such as the Les Callette Civil War Collection. The online system provides access to the holdings of and direct borrowing privileges from the other libraries of the University System of Maryland. The library lends laptops, provides accessibility equipment, has scores and a keyboard practice space, and a newly designed student presentation practice space.

Bookstore

The University Bookstore, located in the Commons building, provides students with textbooks, required supplies and much more. Textbooks are available approximately two weeks prior to the first day of classes. Books incorrectly purchased may be returned for the full purchase price prior to the end of business on the seventh day of classes, provided they are accompanied by a valid cash register receipt, are clean (unwritten in) and resalable. All returns are subject to the discretion of the management.

The bookstore caters to many of the students daily needs, carrying dorm items, school supplies, and general reading and reference books. Students are eligible to purchase computer software and hardware at educational prices and configured to run on the campus network. A wide variety of campus wear and gifts are offered to suit every taste. With proper identification, personal checks, VISA, MasterCard, American Express and Discover are accepted.

Campus Recreation

The Campus Recreation Office provides the entire University community the opportunity to participate in a variety of individual, dual and team events. These competitive and noncompetitive programs include conditioning, games, sports and outdoor activities that are offered on campus as well as in regional and wilderness settings. In addition to the fun of participating in a favorite activity or novel experience, players may improve physical fitness, increase skill levels, make lifelong friends and enhance ethical qualities—trust, cooperation, honesty, objectivity, etc. These objectives are consistent with the University's educational mission.

A high level of skill is not a prerequisite for participation in any activity offered through the Campus Recreation Office. Therefore, all current students, faculty and staff members are urged to take part in both intramural events and sports club activities.

Additional information and a calendar of events can be obtained in the Campus Recreation Office located in Maggs Physical Activities Center or on the Web at www.salisbury.edu/campusrec/.

► Intramural Sports

Competitive sports are a desirable part of a student's program of education. The Campus Recreation Office offers nearly 25 different intramural events throughout the academic year. These events are organized competitions among individuals and teams. Leagues and tournaments are scheduled for each intramural event, utilizing student supervision and student officials.

Intramural activities include five-on-five basketball, flag football, floor hockey, free throw contests, golf, NFL grid guessers, racquetball, sand volleyball, soccer, softball, tennis, three-on-three basketball, turkey trot, volleyball, walleyball, water polo, Earth Day 5K, three-point shoot-out and Turkey Trot 5K.

► Sports Clubs

Sports clubs are a vital part of the campus recreation program and are designed to provide the University community with opportunities to participate in activities of special interest. Participation varies with trends and student leadership. Sports clubs include cheerleading, disc golf, field hockey, ice hockey, men's lacrosse, men's rugby, men's ultimate, men's volleyball, sailing, women's lacrosse, women's soccer, women's rugby and women's ultimate.

► Recreational Facilities

Facilities available to all SU students include Maggs Physical Activities Center, Indoor Tennis Center and the University Fitness Club. These facilities offer strength training areas, cardiovascular fitness rooms, racquetball courts, indoor pool, gymnasium areas, indoor climbing walls, indoor and outdoor tennis courts, group fitness studio, and locker rooms. Outdoor facilities include playing fields and a track and field complex. A schedule of open times can be obtained in the Campus Recreation Office located in Maggs Physical Activities Center or by Web at www.salisbury.edu/campusrec/.

Center for Conflict Resolution

The Center for Conflict Resolution, located on the southwest corner of College and Camden avenues, provides the University and community with conflict resolution services and training. The center works with individuals and groups in conflict to build creative and self-sustaining solutions.

The center works in cooperation with the Conflict Analysis and Dispute Resolution Department to provide experiential learning opportunities to students in the University's academic major, minor and master's in conflict analysis and dispute resolution. The center acts as a clinic where students take classes, workshops and training in conflict analysis and dispute resolution. Students take practicum and internships through the center at locations both on and off campus. The center houses the student-run Campus Mediation Center that provides conflict resolution services to the student body. The center also provides support and use of its facilities to the Conflict Resolution Club.

In addition, the center has a research and evaluation wing that has received national recognition. The practice wing is composed of nationally recognized experts who work with center staff on large-scale conflict interventions worldwide. The center has a Community Mediation Initiative that provides the Salisbury community with free or low-cost mediation services and trainings in conflict resolution skills. Also housed in the center is the Bosserman Library, a private, non-lending library where students and practitioners can examine, containing literature on social justice, peace studies and conflict resolution.

Center for Student Achievement

The Center for Student Achievement, Guerrieri University Center Room 213, provides students with a space to study and opportunities for academic enrichment. The center focuses on key academic support programs such as tutoring, supplemental instruction, study strategies and academic coaching.

The center offers an opportunity to develop skills that will enhance students' academic potential while at the University. Areas of focus include test taking, note taking, time management, study skills and organizational tools. Students are also welcome to meet with the staff on a one-to-one basis, allowing students the individualized attention they may seek in order to achieve success. Tutoring is available for 40 different courses. Supplemental instruction (SI) is an academic support program that targets traditionally difficult academic subjects. SI leaders support over 30 sections of SI each semester, providing peer facilitated study sessions that integrate "how to learn" with "what to learn." These collaborative learning strategies create an active learning environment and facilitate higher grades for those students who participate. At the center, students have access to study space, computers, Praxis preparatory exams, ALEKS math online modules, and information for scholarships, fellowships and many other academic enrichment programs.

In addition, the center also highlights students who have exemplified academic success in the classroom and demonstrate the ideal scholar at the University. Faculty and staff are asked to nominate candidates for the "Scholar Holler" and the students are featured in the campus newspaper, *The Flyer*. The center's Web site features upcoming events, academic deadlines and new features for the center.

Copy Center

The Copy Center provides quality, prompt, affordable copying and binding to all members of the University community. Guidance on appropriate use of copyrighted materials is available. Located in the basement of Holloway Hall (entrance facing Blackwell Library), the Copy Center employees can provide specific prices and services.

Counseling Center

The Counseling Center offers counseling, consultation and outreach programs that promote personal growth, psychological health and academic success. Counselors provide help for students who may experience issues such as adjustment to college life, low self esteem, eating disorders, loss/separation, sexual identity concerns, anxiety, depression and relationship concerns. Group counseling, individual counseling and crisis intervention are available. To supplement personal counseling sessions and group work, the center also has resource material on a variety of topics, as well as an extensive Web site.

Staff of the Counseling Center have degrees in counseling, psychology and social work, and have years of experience working with college students. Services are confidential. All services are free of charge.

The Counseling Center is located in the Guerrieri University Center Room 263. Hours of operation are 8 a.m.-5 p.m. Monday-Friday. All appointments may be made in person or by calling 410 543-6070. For after-hours emergencies, the Counseling Center may be reached through the University Police at 410 543-6222. To learn more visit www.salisbury.edu/counseling.

Dining Services

University Dining Services (UDS) provides various dining experiences for the convenience of students, faculty, staff and the campus community at large, and offers dining selections that are varied, creative and nutritionally sound. Dietary counseling is available through the staff registered dietitian. UDS provides financial support for students through work experience as well as paid internships in conjunction with academic studies.

The Commons, the hub of activity of Dining Services, offers many different services satisfying many different tastes. The Marketplace provides kiosk service with varied menus including Mexican, Italian, Asian, vegetarian and home-style cooking. The Bistro offers alternative dining at its finest with a varied menu and upscale desserts. Seating is available in five dining rooms as well as the Rotunda, a light-filled atrium. The special Festival of Foods dinners heighten the excellent daily bill of fare with specialty events.

The Gull's Nest and ECZ's, located in the Guerrieri University Center, specializes in food "to go." Open from 11 a.m.-11 p.m., Monday-Friday, and 5 p.m.-midnight, Saturday and Sunday; the Gull's Nest serves a specialized menu of sandwiches, burgers and salads. Dine in or take out!

Satellite dining locations are available in the TETC and Henson, Fulton and Perdue halls and afford a variety of items

including sandwiches and salads. Open 7:30 a.m.-7:30 p.m., Monday-Thursday, and 7:30 a.m.-3 p.m. Friday.

Cool Beans Cyber Café, located in the Guerrieri University Center, is a modern coffee shop with computer connections. Serving Starbuck's coffee, fresh pastries, salads and sandwiches, the cafe provides eight computer stations so students can enjoy quality food and beverages while checking e-mail or working on papers. Open Monday-Thursday, 7:30 a.m.-midnight; Friday, 7:30 a.m.-11:30 p.m.; and Saturday-Sunday, noon-11:30 p.m., the cafe provides a modern, plush, relaxed and social atmosphere.

University Catering services to the campus community include everything from box meals to formal sit-down dinners. Catering also provides a work experience for students.

Guerrieri University Center

The Guerrieri University Center supports the mission of the University by helping create and sustain an ambience where all members of our community, and students in particular, are provided the opportunity, encouragement and support necessary to better realize their potential as individuals and scholars. The center provides myriad opportunities for students, as well as others, to realize the many dimensions of the University mission statement's core values of excellence, student-centeredness, learning, community, civic engagement and diversity.

Guerrieri University Center facilities include lounges; meeting rooms; Atrium Gallery; Career Services; Center for Student Achievement; Disability Support Services; Guerrieri University Center Office; Guerrieri University Center Information Desk; Commuter Connections; Off-Campus Housing Services; Multicultural Student Services; Spirituality Center and Meditation Room; Office of New Student Experience; Parent Programs; Office of Student Activities, Organizations and Leadership; Counseling Center; Vice President of Student Affairs Office; student radio station WXSU; student newspaper *The Flyer*; the University Writing Center; Cool Beans Cyber Café, ECZ Subs/Gull's Nest; computer labs; a game room and vending area. An automated teller machine (ATM) and DVD rental kiosk are conveniently located in the hallway near the north entrance.

Housing and Residence Life

Salisbury University does not have a residency requirement; however, 1,702 on-campus spaces are provided for undergraduate men and women. This represents approximately 21 percent of the undergraduate population. The Office of Housing and Residence Life provides students with high-quality facilities and living environments which support academic achievement and personal growth. The office places heavy emphasis on educating students regarding the rights and responsibilities associated with membership in the campus community. Professionally trained staff live and work in residence halls which provide residents with individualized assistance. Programs and activities of both a social and an educational nature are offered to complement the academic program.

On-campus housing is provided on a space-available basis to students who are matriculating for an undergraduate degree at the University and who are registering for 12 semester hours or more. Not eligible are students who have reached junior status (60 credits) and not achieved a minimum 2.0 GPA and students who have lived on campus for eight semesters already.

Additional information on facilities, services, regulations, assignment policies, etc. is included in the *Residence Hall Information* handbook, the housing contract and a variety of brochures published by the Housing Office. All are available upon request.

In addition to on-campus housing, SU partners with University Park to offer apartment-style accommodations to 888 students on the east side of campus.

Information Technology

The Department of Information Technology is located in the Teacher Education and Technology Center. Information Technology is responsible for the administrative computer system, the campus network and the residence hall network (ResNet). The GullNet administrative computing system is running on the PeopleSoft/Oracle suite of products. The campus network system provides GroupWise e-mail and Internet access across the campus, as well as access in the computing laboratories to many classroom/instructional software packages. Ten general purpose PC and MAC computer labs are located in the following buildings: Fulton Hall, Devilbiss Hall, Guerrieri Center, Henson Science Hall, Teacher Education and Technology Center and Blackwell Library. These labs provide a setting for instruction as well as open use to faculty and students. In addition, Information Technology provides personal high speed Internet access to all students living on campus and in the University Park housing facility. More information can be found at the IT Web site, www.salisbury.edu/camptech.

Intercollegiate Athletics

The Intercollegiate Athletics Program is administered by the director of athletics and the Athletic Advisory Committee. Funding for this program is provided by student athletics fees, athletics contest receipts and various fund-raising projects.

The Intercollegiate Athletics Program includes: fall - (men) cross country, football, soccer; (women) cross country, field hockey, soccer, volleyball; winter - (men) basketball, swimming; (women) basketball, swimming; spring - (men) baseball, lacrosse, tennis, indoor and outdoor track and field; (women) lacrosse, softball, and tennis.

Salisbury University is a member of the National Collegiate Athletic Association (NCAA) - Division III and holds conference affiliation in the Capital Athletic Conference (CAC), the Empire 8 Athletic Conference and the Eastern College Athletic Conference (ECAC).

Eligibility for Salisbury University student-athletes is based upon the National Collegiate Athletic Association's (NCAA) constitution and bylaws. The NCAA principles of sound academic standards for eligibility are based on the following criteria:

1. The student-athlete is admitted as a regularly matriculated, degree-seeking student in accordance with the regular, published University entrance requirements.
2. The student-athlete is in good academic standing as determined by the University faculty, in accordance with the standards applied to all students.
3. The student-athlete is enrolled in at least a minimum full-time program of studies and is making satisfactory progress toward graduation as determined by University regulations. The 12/24 credit hour rule is applied for eligibility.

Interpretation and the precise language of these principles as they apply to Salisbury University student-athletes are available from the Office of the Vice President of Student Affairs and the Department of Intercollegiate Athletics.

Nabb Research Center for Delmarva History and Culture

The Edward H. Nabb Research Center for Delmarva History and Culture at Salisbury University is a humanities research laboratory for University students that also fulfills the historical resource needs of a variety of community researchers in the region. Researchers frequent the Nabb Center for its enormous legacy of original sources providing information on demographic shifts, family relations, religious choices and social status. Distinctive photographic collections bring the Eastern Shore of the past to life, offering insights into its traditions, architecture and heritage. Extensive cartographic, newspaper and artifact collections reflecting the diversity of the Eastern Shore over time provide added educational resources. The Nabb Center provides educational seminars, lectures on historical topics, and exhibits showcasing the Shore's history and culture. In addition to its wide range of academic programming, the Nabb Center offers a variety of internships.

On-Campus Student Employment

Salisbury University employs over 1,000 undergraduate and graduate students every year. Employment opportunities are offered to students primarily to help defray University expenses. In addition, students enhance their academic pursuits by learning skills, responsibilities, habits, attitudes and processes associated with employment. The student work force is a viable addition to the University staff, enabling the institution to function efficiently on a daily basis.

Students selected for employment contract to work a maximum of 20 hours per week on campus. They are trained in their respective departments and are evaluated at the end of their contract period by their supervisors.

Career Services provides information regarding on-campus and off-campus employment.

PACE

The Institute for Public Affairs and Civic Engagement (PACE) is Salisbury University's institute for public policy, government and community relations, political activism, and civic engagement. PACE's competitive Presidential Citizen Scholar Program provides selected students a rigorous opportunity to immerse themselves in leadership training; internships; lectures by national, state and local leaders and politicians; and provides students volunteer opportunities to become engaged in the surrounding community. PACE, along with the Political Science Department, helps place students in government and non-profit organization internships. PACE also offers courses geared toward civic development and understanding the federal, local and state government. PACE is responsible for the campus voter registration drives, compiling the non-partisan Eastern Shore Voter Guide, and hosting and moderating local debates and elections. Students entering their junior year, if eligible, are invited by the President's Office to apply for the Presidential Citizen Scholar Program. Contact PACE at 410-677-5045.

Post Office

The campus post office, located on the ground floor of the Commons, offers full postal service from 8 a.m. - 5 p.m. Monday-Friday. Students pick up the combinations for their boxes at the window by presenting their campus identification cards.

Publications

Professional writers, editors and graphic designers are available to assist the campus community with their publications needs for University-sponsored activities. For a small fee, design services are available for the production of t-shirts, give-aways, brochures, newsletters, posters, programs, etc. Pending office workload, students can print from disk or hard copy on the office's color copier (price varies with job complexity). Both PC and Macintosh formats are supported. Guidance on appropriate use of copyrighted materials is available. It is University policy that all materials that may be viewed by an off-campus audience must be created and/or approved through Publications, located in Holloway Hall Room 271.

Public Relations

Professional writers and media and public relations experts are available to assist students with promotion of significant achievements and campus-sponsored, community-oriented activities. Free media services include press releases, public service announcements, calendar listings, contacts, etc. It is University policy that all contact with off-campus media and public relations professionals come through the Public Relations Office, located in Holloway Hall Room 140.

Scarborough Student Leadership Center

In 1998, J. Michael Scarborough, SU alumnus and president and CEO of The Scarborough Group, Inc., pledged \$800,000 to build a student leadership center on the campus of SU to serve as a focal point for the activities of both social and honorary Greek organizations on the campus, while nurturing the highest aspirations of these organizations: service, scholarship and leadership.

The Scarborough Student Leadership Center brings together fraternities and sororities, academic honor societies and leadership programs under one roof. The facility houses offices for student organizations, meeting rooms and a Leadership Library. Student activities that take place in the building include club meetings, induction ceremonies, leadership workshop series, regional leadership conference, leadership retreat, and faculty, staff and student meetings.

Student Activities, Organizations and Leadership

Participation in co-curricular activities is a vital part of students' education and college experiences. The Office of Student Activities, Organizations and Leadership's (OSA&L) mission is to engage students in developing a personal philosophy of leadership that includes understanding self, others and community. The leadership development program is multifaceted, the goals are to: recognize every member of the community as a potential leader; to provide students opportunities to practice leadership; and to empower students to understand and realize their civic responsibilities. The office is a constant support network for students interested in the over 130 student organizations at SU, and assists students in forming new organizations.

SU's diverse organizations range from departmental

clubs, such as the Education and History clubs, to student publications like *The Flyer* newspaper and *Mid-Atlantic Review* literary magazine. There are also sports and special interest clubs, religious organizations and active student radio and television stations. Students have their own governing body in the Student Government Association and many different types of professional entertainment are provided by the Student Organization for Activity Planning (SOAP). The growing Greek system gives students the opportunity to consider membership in one of seven national fraternities or four national sororities.

Student Affairs

The Office of Student Affairs provides a variety of programs and services which complement the academic mission of the University and create opportunities for personal growth. Student services include Counseling Services, Career Services, Student Health Services, University Police, Guerrieri University Center, Housing and Residence Life, Student Activities and Organizations, Campus Recreation and Athletics, Multicultural Student Services, and New Student Orientation.

Student Health Services

Recognizing that optimum health is essential to effective learning, the University maintains a health service available to all students. Full-time, part-time, undergraduate, graduate, and students enrolled in special programs such as Fall Fusion and the English Language Institute are eligible for services. Student Health Services, located in Holloway Hall Room 180 (in the south end of the building across from the library), provides confidential treatment of illness and injuries through a well-equipped facility. The professional staff includes five certified, experienced nurse practitioners and a registered nurse. Physician services are provided by Emergency Service Associates, a group of emergency room physicians, all board certified. Student Health Services is fully accredited by the Accreditation Association for Ambulatory Healthcare.

Prior to treatment in Student Health Services, all students are required to complete an online medical history. Immunization requirements and recommendations are outlined, and hard copies must be submitted for required vaccinations. Instructions for submission are located in the student's GullNet account.

The University assumes no financial responsibility for student care other than that provided by Student Health Services. Students pay a \$10 patient visit fee, payable by check, cash or GullCard. A full fee schedule for additional services is available on the Student Health Services Web site, www.salisbury.edu/health. Students are encouraged to carry their own health insurance since the University is not legally responsible for accidents, injuries or illnesses for which care outside of Student Health Services becomes necessary. Students and families seeking information about health insurance programs can find resources on the Student Health Services Web site as well as from independent brokers.

In addition to clinical services, a wide range of co-curricular health promotion and educational outreach programs are provided in a variety of campus settings. Students are engaged in becoming involved in decisions regarding their own healthcare and well-being and making healthy lifestyle choices.

The office is open administratively from 8 a.m.-5 p.m. Monday-Friday. Patient hours are Monday-Tuesday and Thursday-Friday, 8:30 a.m.-4:30 p.m. and Wednesday, 9 a.m.-4:30 p.m. All patients are seen by appointment, which can be made through the student's GullNet account, by calling Student Health Services at 410-543-6262 or by visiting Student Health Services in Holloway Hall Room 180.

Telecommunications

The Telecommunications Office handles all facets of the campus telephone system. Each residence hall room is equipped with a telephone jack enabling residents to contact other rooms on campus and to receive incoming calls. Students must provide their own phones. In order to place off-campus calls, students must activate an authorization code account with the Telecommunications Office. The office, located in Bateman Street Building 1, Room 104, is open Monday-Friday, 8 a.m.-5 p.m.

University Police

The Office of University Police, located in the East Campus Complex, can be contacted 24 hours a day. University Police services include investigation of crimes and incidents on campus, response to emergencies, vehicle registration and parking enforcement, lost and found, and physical security of buildings.

This office annually publishes campus crime statistics. Copies and crime prevention materials are available upon request. The University Police Web site is www.salisbury.edu/police.

Veteran Affairs

The Veterans Affairs Office aids veterans, eligible dependents and survivors of veterans, and active duty military personnel in obtaining benefits and services for which they may be qualified through the Montgomery G.I. Bill, Serviceman's Opportunity College and other U.S. government programs geared toward veterans and current military personnel. Veterans Affairs personnel can assist with the application and certification processes for relevant counseling, financial assistance, vocational rehabilitation and work-study programs, and with the awarding of experiential credit. The Veterans Affairs Office is located within the Registrar's Office.

Volunteer Center

The SU Volunteer Center is committed to serving the community and University by offering meaningful connections between students who care and organizations in need. The center is dedicated to promoting lifelong values of commitment to service and civic engagement, encouraging awareness of community needs and facilitating service opportunities to address those needs.

The center's goals include:

1. Connect interested students to community needs
2. Develop collaborative linkages within the University and across the community
3. Facilitate student development and careers through leadership and service
4. Empower regional growth by offering student resources to assist in community transformation

There is a strong Web presence (www.salisbury.edu/volunteer) to facilitate the ability of students to locate and sign-up for volunteer activities and for non-profit agencies to post their needs.

Web Development

The Web Development Office provides support and training in the ongoing maintenance, development and enhancement of the University's Web site in close coordination with the University's mission and goals. To read frequently asked questions, learn more about the SU online template or place an online Web work request visit www.salisbury.edu/weboffice.
