

J-1 Exchange Visitor Departure Information

In order to retain the ability for hosting international Exchange Visitors, Salisbury University has to submit an Annual Report to the U.S. Department of State, outlining the professional and cultural activities of each Exchange Visitor. This Departure Information will be critical in completing that report. Please return this document, completed and filled out, to the Center for International Education at your earliest convenience. Thank you for your assistance!

Note: J-1 exchange visitors and their J-2 dependents are admitted for "duration of status" (D/S), which is defined as the period indicated in item 3 of Form DS-2019, plus a 30-day grace period following the program end date, "for the purposes of travel." Please remember that if the J-1/J-2 leaves the US during the grace period they cannot re-enter as a J-1/J-2 using the Form DS-2019. The grace period cannot be used to work in the US but is suitable for traveling throughout the US. For more information, please contact the Center for International Education, or review the U.S. Department of State official website.

Some exchange visitors are subject to a Two-Year Home-Country Physical Presence Requirement (INA 212(e)). For more information, please stop by the Center for International Education or review the U.S. Department of State official website. The two-year home-country requirement is typically included on the J-1 visa stamp stating "bearer is subject/is not subject to...", indicating if that restriction applies to the specific J-1 visa holder or not.
