### **RESEARCH PAPERS (2 papers)**

- Register with the department 2 satisfactory research papers completed in HIST 330 and HIST 430 with C or better (policy is below).

### **LANGUAGE REQUIREMENT**

- Demonstrate 102-level proficiency in a foreign language.

## **HISTORY PAPER DEPARTMENT POLICY**

### **2 Research Papers**

The History Department requires that students complete six courses above the 202 level, including HIST 330 (Proseminar) and HIST 430 (Research Seminar Capstone). Students must complete at least one research paper of at least 12 pages in each of these courses and each on a different topic. Department professors, who will determine whether they are acceptable for registration using the criteria listed in the departmental rubric, register the papers in the department office (Holloway Hall 338).

These papers will ensure that everyone who graduates with an SU history major has substantial experience in developing the following skills:

- Research: seeking out relevant information from a wide variety of sources;
- Analysis: weighing evidence and crafting an argument, examining existing interpretations and developing original insights;
- Communication: writing clearly and effectively, citing documents and existing works on the subject properly.

Students should take Proseminar in their sophomore year and no later than the first semester of their junior year. Students should take the Capstone course in the second semester of their junior year or first semester of their senior year.

If a professor finds that a student's paper does not meet the standards for registration, she/he may give the student a grade of "incomplete" for the course to ensure that the necessary corrections are made by the middle of the following semester.
