Matriculated students and advisors should consult the Academic Requirements Report in GullNet before and after registering for classes each semester to track academic progress.

DUAL-DEGREE PROGRAM POLICIES

Salisbury University and the University of Maryland Eastern Shore have established a dual-degree program through which UMES students can earn a Bachelor of Arts in Social Work (B.A.S.W.) from SU and a Bachelor of Science in sociology from UMES. The program, which can be completed in 120 hours, is accredited by the Council on Social Work Education through SU.

The program prepares graduates for entry-level professional social work positions, state licensure and graduate education. The program is made possible through the cooperative efforts of the institutions in sharing resources to expand the opportunities for students on both campuses.

UMES students in this program will complete registration for Salisbury courses by submitting an inter-institutional enrollment form available from their advisor or the Registrar's Office.
