Commencement is a formal academic occasion and should be viewed as such in dress and demeanor. The following guidelines are provided to help you prepare for your Commencement ceremony. *Graduates choosing not to abide by these guidelines will not be allowed in the Civic Center and may be escorted from the ceremony.*

- The academic robe is black with a V neckline and shows part of your clothing underneath. Recommended dress is similar to what you would wear to a formal interview.
- Shorts are not permitted.
- Dress shoes are suggested. The stairs to the stage are steep; please keep this in mind when considering heel height.
- The gown should be mid-calf.
- No jewelry on or over the gown.
- No flowers on the academic robe. Flowers may not be carried.
- The mortarboard (academic cap) should be worn with the front point over the forehead below the front hairline, so the flat board is parallel to the floor with the tassel on the left. Students may decorate caps in accordance with SU guidelines, available at www.salisbury.edu/commencement.
- Candidates for the master's and doctoral degrees wear the academic robe and carry the hood. Graduates will be hooded during the ceremony.

- Problems with caps and gowns can be corrected on the day of the ceremony by SU Bookstore employees at the Civic Center, in Flanders Room No. 1, to the left of the arena entrances.
- All graduates enter through the MAIN ENTRANCE – NORMANDY ARENA of the Civic Center to line up for processional one hour prior to the start of the ceremony. As you face the front of the Civic Center, the student entrance is to the left. Graduates do not require a ticket for entrance to the Civic Center.
- LINE-UP INFORMATION FOR THE CEREMONIES WILL BE PROVIDED APPROXIMATELY ONE WEEK PRIOR TO THE CEREMONIES. Know your school or college; it will determine your line-up location.

DECORUM

Graduation ceremonies are, by their very nature, festive occasions. The festivity manifests itself in many ways, including the dress of the students and faculty adorned in academic regalia and the warmth, joy and satisfaction of accomplishment. The ceremonies are also a solemn occasion; the actual conferring of degrees signifies long, hard work on the part of everyone involved: students, faculty, administrators, parents and spouses. As a consequence of the serious nature of the ceremony, students are expected to maintain a measure of decorum consonant with the occasion. Applause and other recognition of the conferring of degrees should be limited to a joint effort at the conclusion of each graduation group. Graduates are expected to return to their seats after receiving their diploma and to remain seated for the rest of the ceremony. Family and guests are asked to remain seated for the entire ceremony, refraining from leaving their seats in order to take pictures or to talk to graduates.

Please note these additional rules:

- No alcohol or illegal drugs are permitted in or around the Civic Center. Graduates who appear to be under the influence of either will be removed from the lineup and will not participate in the ceremony.
- Candidates should not chew gum or tobacco.
- Air horns or other noisemaking devices are not permitted by graduates or guests and will be confiscated.
- Balloons and banners are not permitted inside the Civic Center during commencement.
- Candidates should not have personal belongings in their possession during the commencement ceremony.

SPECIAL NOTE TO GUESTS

Our ceremony is truly an academic ritual; therefore, we ask that guests recognize that such an event requires a level of decorum be maintained. So that all families can hear the announcement of each graduate's name, please limit the length and decibel level of celebratory response. The University reserves the right to escort from the building any individual or group creating inordinate noise that distracts from the solemnity of the program.
