O Alma Mater, standing wise and stately,
We dedicate our song to thee—
A song of praise, a song of deep devotion,
A song of love and endless loyalty.
Salisbury University, our mater
Thy portals stand, an open door
Through which we enter lives of deeper wisdom,
Oh, we shall love thy name forever more.
Dear Graduates,

Congratulations on this very special achievement!

When you started your journey at Salisbury University, none of us could have imagined the challenges that we now face. Your perseverance and commitment to your education tells me that you have exactly what you need to succeed and to have a positive impact on our society. Throughout your life and career, you will be faced with adversity, and you have proven that you have the ability to overcome that adversity and to accomplish great things.

You should be proud of your hard work and dedication to your education. I know you join me in thanking the faculty, staff, mentors and fellow students at SU who gave you their support. You now join more than 55,000 alumni of Salisbury University, a network who are ready and willing to help you in your life and career. Your fellow alumni and the Alumni Engagement team are here for you as you find your path and success in whatever you choose to do. We can’t wait to see the great things that await you.

It’s also important to thank the family and friends who assisted you along the way. I know that there were seemingly endless days and sleepless nights – especially around exam time, but you all had a support system that helped you through. Your graduation is an achievement for them as well. Now, more than ever, our common community needs you to return that support. You have persevered to successfully complete your education in the most unusual of times.

Finally, I want you to know that I have never been prouder to be your President than I was during this past year. You all handled changes and challenges with such grace. You remained committed to your education and to the mission and values of Salisbury University. Even as we dealt with a global pandemic, I watched as you all continued to learn, live and lead in the classroom and in the community – setting an example we should strive for long beyond commencement.

Welcome to the SU alumni family. Congratulations again to the Class of 2021!

Charles A. Wight
President
