

SALISBURY UNIVERSITY

COMMENCEMENT

MAY 2025

SALISBURY UNIVERSITY **ALMA MATER**

O Alma Mater, standing wise and stately,
We dedicate our song to thee—
A song of praise, a song of deep devotion,
A song of love and endless loyalty.
Salisbury University, our mater
Thy portals stand, an open door
Through which we enter lives of deeper wisdom,
Oh, we shall love thy name forever more.

The audience is requested to remain at their seats until all faculty and graduates have exited at the close of the ceremony.

During the ceremony we request you take photos from your seat only.

Recognition of graduates is tentative pending certification of all graduation requirements.

Names contained herein represent students expecting to graduate in May as of April 23, 2025.

Dear SU Graduate,

Congratulations on achieving this significant milestone – and on being a member of Salisbury University's 100th graduating class! This historic moment marks not only your personal achievements but also a century of academic excellence and tradition at SU.

We are incredibly proud of all you've accomplished and hope that you carry fond memories of your time here. On behalf of our entire campus community, it has been a pleasure and a privilege to support your journey.

As you celebrate, we encourage you to take a moment to thank the family, friends, professors, and staff who have played a meaningful role in your success. We know the lessons you've learned – both inside and outside the classroom – will guide you as you embark on the next chapter of your life. We hope you explore life's many opportunities and know that tomorrow is yours.

Your journey as a Sea Gull doesn't end at graduation. As a proud member of our 100th graduating class, you are now part of a vibrant legacy, and I want to be among the first to welcome you to the Salisbury University Alumni Association. We look forward to hearing about your many accomplishments and invite you to stay connected, involved, and supportive of your Alma Mater.

Our best wishes are with you as you begin this new chapter.

Sincerely,

A handwritten signature in black ink that reads "Carolyn R. Lepre". The script is fluid and elegant, with a prominent flourish at the end of the last name.

Dr. Carolyn Ringer Lepre

President

GRADUATION WITH LATIN HONORS

Undergraduate students must complete a minimum of 50 graded hours of coursework at Salisbury University, in which at least 30 hours of 300/400-level courses are completed with grades of A, B or C. In addition, students must have minimum Salisbury University grade point averages as follows:

- CUM LAUDE - 3.50
- MAGNA CUM LAUDE - 3.70
- SUMMA CUM LAUDE - 3.90

Students completing a second bachelor’s degree will be eligible to graduate with honors only if they meet all graduation with honors criteria using credits earned after their prior graduation.

GRADUATION WITH UNIVERSITY HONORS

Undergraduate students graduating with University Honors from the Clarke Honors College have completed at least 21 hours of honors coursework and have completed a Research/Creative Project or a Senior Honors Thesis. A minimum grade point average of 3.30 is also required.

Recognition of graduates who will achieve Latin and University Honors is tentative pending certification of all graduation requirements.

HONORARY DOCTOR OF PUBLIC SERVICE

Stacey Quinn '91

Stacey Quinn graduated in 1991 from Salisbury University from the Fulton School of Liberal Arts with a Bachelor of Science. Her major was liberal and professional studies. She served as a student athletic trainer for football, basketball and many other Olympic sports throughout her tenure as an undergraduate.

After graduating, Quinn pursued her master's degree in athletic training at Old Dominion University in Norfolk, VA, and served as a graduate assistant at Norfolk State, working for the football team among other sports. She earned her master's in 1993 and went on to serve as an athletic trainer at Virginia Military Institute for the football and lacrosse teams. Quinn was the first female trainer ever hired at VMI.

In 1996, Quinn and her husband Dan moved to Long Island, NY, and she worked as an assistant athletic trainer at Hofstra University. In 1997, she went to the U.S. Merchant Marine Academy as the head athletic trainer and worked there until 2001. Quinn was also a teacher there instructing the "ships medicine" course.

In 2001, they moved to California, and while Dan was with the San Francisco 49ers, Stacey was a trainer for women's basketball at Stanford University. She was with the program until they moved to Miami when Dan pursued a stint with the Dolphins in 2005.

Since then, Quinn has continued to be active in the athletic training community all while supporting the NFL career of her husband. Together, Stacey and Dan established Quinn's Corps in 2005 to support military families, veterans and soldiers. With this foundation, they offer game tickets and parking to families of service members. In addition to that, the couple also sends special care packages to soldiers stationed overseas. The charity has been active during their time spent with the Seahawks, Falcons, Cowboys and now at the Commanders.

In 2021, the Quinns were donors to the "We Are SU: The Campaign for Salisbury University." They even created three separate Quinn Family Endowments for: Football Excellence, Track & Field Excellence, and Athletic Training Excellence, which are continuing to help students at Salisbury University.

HONORARY DOCTOR OF PUBLIC SERVICE

Dan Quinn '94

Dan Quinn enters his second season as the Washington Commander's head coach after being hired as the 31st head coach in franchise history on February 3, 2024.

In 2024, Quinn led a Commanders team that finished the regular season 12-5, which was the most wins in a single season in franchise history since 1991. Under Quinn's leadership, the team advanced to their first NFC Championship game since 1991. Washington improved their win margin by +8, which was the largest win margin improvement in a single season in the entire NFL since 2019.

Quinn became the first head coach in franchise history to win 10-plus games in his first season as head coach. He also became the first head coach in franchise history to win multiple playoff games in his first season as head coach. Quinn joined Pro Football Hall of Famers Joe Gibbs and George Allen as the only head coaches in franchise history to win multiple playoff games in a single season.

In 2024, Washington led the NFL in fourth down conversion percentage (87.0) and ranked No. 5 in total conversions (20), with many crediting Quinn's trust in the offense in giving the team the opportunity to convert at a historic rate. The 20 fourth-down conversions and the 87.0 fourth-down conversion percentage were both single season franchise records.

Quinn joined the Commanders after coaching for 21 total seasons – most recently serving as the defensive coordinator for the Dallas Cowboys, where he was named Assistant Coach of the Year voted on by the Associated Press in 2021. He inherited a defense in 2021 that ranked 28th in points per game. From 2021-23, Quinn's unit ranked No. 5 in the NFL in points-per-game (19.9), No. 7 in the NFL in net yards allowed-per-game (327.0), No. 6 in the NFL in sacks (141) and No. 1 in the NFL in interceptions (59). His unit also ranked No. 4 in the NFL in that span in third down conversion percentage (36.4%). Quinn also excelled in developing defensive talent in Dallas. During his stint as defensive coordinator, he assisted in the development of LB Micah Parsons, CB Trevon Diggs and CB DaRon Bland who were all named First Team All Pro as voted on by the Associated Press once over the past three seasons. Dallas also placed three defensive players into the 2024 Pro Bowl in each level of the defense, with DE DeMarcus Lawrence, LB Micah Parsons and CB DaRon Bland all representing the NFC this year in Orlando.

Prior to his stint in Dallas, Quinn spent five seasons as the head coach of the Atlanta Falcons from 2015-2020, where he led Atlanta to an appearance in Super Bowl LI as well as a playoff berth with a victory and appearance in the NFC Divisional Round in 2017. During his tenure as the Falcons head coach, Atlanta ranked No. 6 in the NFL in total takeaways with 105. Quinn finished his career in Atlanta with a 43-42 regular season record and 3-2 record in the postseason. He captured the second NFC Championship in Atlanta Falcons franchise history.

Quinn landed his first head coaching role after leading one of the greatest defenses in NFL history in Seattle. Quinn oversaw a Seattle defense in 2013-14 that helped guide the club to consecutive Super Bowl appearances. Over those two seasons, the Seahawks ranked No. 1 in the NFL in fewest yards allowed (270.4), points allowed (15.2) and passing yards allowed (178.8), all while holding opposing offenses to just 91.6 rushing yards-per-game. During his tenure in Seattle, Quinn worked with CB Richard Sherman, who led the NFL with 12 interceptions in 2013-14. The Seattle defense also led the NFL during that span with 28 total interceptions. In the two seasons that Quinn oversaw the defense, the team totaled 63 total takeaways, which led the league. Over the course of those two seasons, Quinn had four of his defensive players earn seven Pro Bowl selections: CB Richard Sherman (two), S Kam Chancellor (two), CB Earl Thomas (two) and LB Bobby Wagner (one).

In college, Quinn was a four-year letter winner and two-time co-captain (1992-93) defensive lineman at then Salisbury State University (Division III). Quinn also lettered in track and field and held the school record in the hammer throw. He was inducted into the Salisbury University Athletic Hall of Fame in 2005.

Quinn, originally from Morristown, NJ, and his wife, Stacey, started Quinn's Corps in 2004, which helps serve members of the military both at home and abroad.

MISSION

Salisbury University is a premier comprehensive Maryland public university offering excellent, affordable education in undergraduate liberal arts, sciences, business, nursing, health sciences, social work, and education and applied master's and doctoral programs. Our highest purpose is to empower our students with the knowledge, skills, and core values that contribute to active citizenship, gainful employment, and lifelong learning in a democratic society and interdependent world.

Salisbury University cultivates and sustains a superior learning community where students, faculty, and staff are viewed as learners, teachers/scholars, and facilitators, and where a commitment to excellence and openness to a broad array of ideas and perspectives are central to all aspects of University life. Our learning community is student-centered. Students learn from professional educators in small classroom settings, faculty and professional staff serve as academic advisors, and virtually every student has an opportunity to undertake research or experiential learning with a faculty mentor. Through our privately endowed Schools and Honors College, and the College of Health and Human Services, we foster an environment where individuals prepare for career and life, including their social, physical, occupational, emotional, and intellectual well-being.

The University recruits exceptional and diverse faculty, staff, and undergraduate and graduate students from across Maryland and the United States and from around the world, supporting all members of the University community as they work together to achieve institutional goals and vision. Believing that learning and service are vital components of civic life, Salisbury University actively contributes to the local Eastern Shore community and the educational, economic, cultural, and social needs of our State and nation.

VALUES

The core values of Salisbury University are excellence, student centeredness, learning, community, civic engagement, and diversity and inclusion. We believe these values must be lived and experienced as integral to everyday campus life so that students make the connection between what they learn and how they live. The goals and objectives of our strategic, academic, facilities, and enrollment plans, as well as our fiscal commitments, reflect our fundamental values. In addition to these principal values, the University embraces, through its shared governance bodies, the long-honored tradition of honesty and mutual regard that is and should be a defining characteristic of higher education.

SYMBOLS OF THE CEREMONY

MACE

The University mace was created for the 1997 inauguration of William C. Merwin as seventh president. Clinton G. Bradway (Class of 1956) designed and donated the mace that is used at all official academic ceremonies.

The mace, originally a medieval weapon of war, has evolved into an institutional emblem of authority and symbol of office. This symbolic item is composed of a mahogany staff adorned with pewter rings, each engraved with the name and term of office of each of the University's presidents since its founding in 1925.

The head or orb has four flat, oval surfaces: one is overlaid with a 3-inch replica of the University seal; its opposite side features the Holloway Hall bell tower, the University's most enduring landmark; the surface of a third side reflects the evolution of the University's name; and the fourth side lists the University's schools and colleges: Franklin P. Perdue School of Business, Richard A. Henson School of Science and Technology, Charles R. and Martha N. Fulton School of Liberal Arts, Samuel W. and Marilyn C. Seidel School of Education, Glenda Chatham and Robert G. Clarke Honors College, and College of Health and Human Services.

Crowning the mace is a golden Sea Gull, symbolizing the University's long and distinguished varsity athletics programs. Eight wooden spikes, reminiscent of its medieval counterpart, are positioned just beneath and above the mace's head. These were crafted from a historic linden tree planted in front of Holloway Hall in 1925 and felled by a storm in 1995.

PRESIDENTIAL MEDALLION

A symbol of the Salisbury University Office of the President, the medallion is worn by the President during ceremonial occasions. The original medallion was commissioned upon the 1997 inauguration of William C. Merwin as the seventh president of the University. Today's medallion is made from gold-plated brass and hangs from a golden chain. It incorporates the University seal at its center surrounded by a band engraved with the President's name.

SEAL

Salisbury's first president Dr. William J. Holloway organized a design contest for art students in 1927 to create a special seal for the school. Of the five designs submitted, the one drawn by Grace Hallam was selected.

Used without changes (except the institution's name), the seal is carefully composed of images unique to the school, as described at the time of its adoption:

"The loblolly pine is characteristic of the Eastern Shore; the sailboat represents the fishing industry; the plow and farm demonstrate agricultural interests; the strawberry bed in the lower left foreground represents a leading industry of the Eastern Shore; the sun at its zenith signifies the educational service that is hoped the school will render; the Maryland shield signifies that the school is a Maryland institution."

ACADEMIC REGALIA

The traditional caps and gowns worn by students and faculty in the academic procession have been the historic costume of scholars since medieval times. Because many scholars of that period were members of monastic orders, the academic costume resembles ecclesiastical dress.

A uniform code for academic costumes was drafted by an intercollegiate commission in 1893 and has since been adopted by the majority of colleges and universities in the United States. Each of the three academic degrees – bachelor's, master's, and doctoral – has its own distinctive gown and hood. The gown representing the bachelor's degree is distinguished by its long, pointed sleeve. The master's gown has a longer, narrow closed sleeve, extending below the knee; the arm is passed through a slit at the elbow. In contrast, the doctor's gown has a full, bell-shaped sleeve with three bars of velvet. The opening of this gown is faced with wide velvet bands, which may be black or of a color indicating the general field of learning of the wearer – for example, dark blue for philosophy, green for medicine, purple for law, and light blue for education.

The most colorful and distinctive item of the academic costume is the hood, which passes around the neck and extends down the back. The colors of the silk lining exposed in the center of the hood are those of the college or university which conferred the degree.
