ACCOUNTS PAYABLE AND TRAVEL REGULATIONS (SU)

In the matter of the travel policy and regulations, SU’s Financial Services Office provides information and support that you will need for travel. Their mission is to provide fast, accurate, and high quality processing of financial documents in response to the needs of their customers (both the internal and external community) while fulfilling all compliance requirements with both the USM and the State of Maryland, Comptroller's Office. They continually strive to provide prompt service and immediate solutions to problems, payments and reimbursement requests. The Accounts Payable & Travel website has information, forms and other resources needed for planning and reimbursement for work-related travel.

TRAVEL REIMBURSEMENT OF EXPENSES FOR WORK-RELATED TRAVEL (SU)

1. Out-of-State and Out-of-Country Travel Requests must be submitted to the Dean's Office for approval at least 30 days in advance of scheduled travel. An expense account must be filed within three (3) working days after travel has been completed. All forms related to out-of-state and out-of-country travel are available on the Accounts Payable and Travel website.

2. Faculty who have had out-of-state or out-of-country travel requests approved may request advance funds for conference registration and fees, lodging and food, and travel. If a faculty member receives an advance and does not spend the entire advance, the remaining funds must be returned upon filing a travel expense account three (3) working days after travel has been completed.

3. The University's reimbursement rates for meals, mileage, porter fees and tips are detailed in the Accounts Payable and Travel website.

4. Diners Club Travel Cards are available for use by authorized staff and faculty/staff participating in certain programs (e.g., Study Abroad). See the Diners Club Policies & Procedures website for more information.
