TOTAL CREDITS 38	

***Note:** A total of four credits (400 hours) of practicum (NURS 894) are required at SU while in the DNP Program. This course can be taken for variable 1-3 credits, (100-300 hours). *At least 2 different areas of practicum focus* are required, and each requires *Advisor's approval*.

****Students** ultimately must have 1000 total clinical hours, and may need to take additional credits if they had fewer than 600 clinical hours in their MS program. Program plans will be individually determined between the student and the Director of the Graduate Program.

*****One** elective is required during the program, and needs approval from the Graduate Program Director.
