THIS CHECKLIST IS AN UNOFFICIAL TOOL FOR PLANNING.

Matriculated students and advisors should consult the Academic Requirements Report in GullNet before and after registering for classes each semester to track academic progress.

PROGRAM POLICIES

- Students may receive up to 60 academic transfer credits from their associate degree program.
- After completing all Non-Nursing Requirements and 12 of the 18 Required Nursing Courses, students having a GPA of 2.75 or greater may apply to the graduate nursing program – acceptance into the graduate nursing program is required to take graduate courses..
- If accepted, and after completion of the remaining 6 Required Nursing Courses, students take the 12 credits of graduate core courses (rather than 12 credits of SU nursing and non-nursing electives).
- Upon completion of their graduate program, students are awarded 30 additional credits based on their active unencumbered Maryland or compact license and receive an M.S.N.
- **Graduate Nursing Program Grading Policy:** A grade of B is required in courses for the program not listed here. The program allows one C/C+ if it is earned from one these courses: NURS 515, 525, 526, 542, 544, 560, 561, 570, 571, 575, 576, 580 and 755. Only one course may be repeated during the program to earn a higher grade. The exception are the following courses, which result in dismissal from the graduate program without possibility of repeating if a grade of C/C+ or lower is earned: NURS 590, 592, 593, 594 and 595.
- Students whose GPA falls below a 3.0 in any semester will be placed on academic probation according to University policy.
- Students must maintain a valid license as a registered nurse in the State of Maryland or a compact state. If a clinical site is in a non-compact state, additional R.N. licensure for that state is necessary.
- Students must maintain current clinical and health requirements.
