### CHEMISTRY • Accelerated Pharmacy Track CURRICULUM GUIDE

#### CHEMISTRY DEPARTMENT • HENSON SCHOOL

**NAME:** ____________________________ **ID#:** ____________________________ **DATE:** _______________

### First Year

- **CHEM 121** General Chemistry I ..................................................... 4
- **BIOL 210** Biology: Concepts and Methods .................................... 4
- **COMM 100** Fundamentals of Communication........................................ 4
- **HIST 10X** Gen. Ed. IIA (HIST 101, 102 or 103).............................. 4

### Winter/Summer Term

List courses that were taken during winter/summer terms:
- ____________________________ ........................................ 4
- ____________________________ ........................................ 4

### Second Year

- **CHEM 221** Organic Chemistry I .................................................... 4
- **PHYS 121** General Physics I .......................................................... 4
- **MATH 155** Modern Statistics with Computer Analysis .................. 3

- **BIOL 211** Microbiology ................................................................... 4
- **MATH 216** Statistical Thinking .......................................................... 4
- **ENGL 103** Composition and Research.............................................. 4

### Winter/Summer Term

List courses that were taken during winter/summer terms:
- ____________________________ .......................................................... 4
- ____________________________ .......................................................... 4

### Third Year

- **CHEM 321** Analytical Chemistry .................................................... 4
- **CHEM 341** Physical Chemistry I ..................................................... 4

OR

- **CHEM 342** Physical Chemistry II .................................................... 4
- **CHEM 417** Biochemistry I ............................................................... 4
- **ENGL XXX** Gen. Ed. IB Literature course ........................................ 4

### Winter/Summer Term

List courses that were taken during winter/summer terms:
- ____________________________ .......................................................... 4
- ____________________________ .......................................................... 4

### Third Year

- **CHEM 333** Instrumental Analysis .................................................... 3
- **HIST XXX** Gen. Ed. IIB History Course ........................................... 4
- **ECON 211** Principles of Microeconomics ......................................... 3
- **IIIC** Gen. Ed. Humanities/Social Sciences course ......................... 3-4
- **FTWL 106** Lifelong Fitness and Wellness ......................................... 3

### Winter/Summer Term

List courses that were taken during winter/summer terms:
- ____________________________ .......................................................... 4
- ____________________________ .......................................................... 4

* Course offered spring only

** Course offered fall only

---

**NOTE:**

Students are responsible for ensuring that they complete all of the requirements for pharmacy school, which may include additional courses beyond those outlined above. However, completion of the above requirements and the requirements for pharmacy school does not guarantee admission to pharmacy school.
