Please Note:

- ENVR Elective Course 1, 2 or 3 fills the Gen. Ed. IIIC requirement.
- Most students fulfill ENGL XXX and HIST XXX with courses that double count for the ENVR major.
- Students are required to complete a minor. They are encouraged, but not required, to get a double major. Thus, elective slots are indicated as optional "elective/double major" slots; and minor slots are double major slots as well, if students choose to complete a double major, rather than a minor.
- Most students chooses a minor that does include courses that double-count for General Education and/or the major; most students will have an additional elective.
- This curriculum guide does not include study abroad, though students are encouraged to do so.
