UNIVERSITY POLICIES

- Refer to the SU catalog for approved prerequisites and General Education courses.
- All graduates must have a minimum of 120 credits.
- All graduates must have a minimum of 30 credits of 300/400-level courses with C grade or above; at least 15 of those credits must be taken at SU.
- Students must have a minimum cumulative GPA of 2.0 for graduation.
- Students must complete at least 30 credit hours by direct classroom instruction and/or laboratory experience.
- Students must take 30 of the last 37 credit hours at SU.
- Ⓝ indicates the recommended minimum grade; although a C meets the requirement, SU history shows that students who graduate with this major earned this grade or higher for this course.
- Bold courses are foundation courses and are required for courses later in the sequence.

EXERCISE SCIENCE • Allied Health Track

First Year
- ENGL 103© Composition and Research ................................................. 4
- IIIA Gen. Ed. Humanities Course .......................................................... 4
- FTWL 106© Lifelong Fitness and Wellness ............................................. 3
- XXXX XXX Allied Health Elective (1 of 6) ............................................. 4
- EXSC 213© Injury Prevention and Emergency Management .................... 4
- PSYC 101 Introduction to Psychology .................................................... 4
- HIST 10X Gen. Ed. IIA (HIST 101, 102 or 103) ..................................... 4
- MATH 155 Statistics .................................................................................. 3
- 15/30

Winter/Summer Term
List courses that were taken during winter/summer terms:
- 
- 

Second Year
- EXSC 240 Fitness Testing ........................................................................... 4
- EXSC 250 Strength Training Techniques and Program Design ............... 4
- IIIIC Gen. Ed. Humanities/Social Science Course .................................... 3
- BIOL 215© Human Anatomy and Physiology I ....................................... 4
- XXXX XXX Allied Health Elective (2 of 6) ................................................ 4
- EXSC 295 Fitness Instruction ..................................................................... 4
- HIST XXX Gen. Ed. IIB History Course .................................................... 4
- BIOL 216© Human Anatomy and Physiology II ....................................... 4
- 15-16/45-46

Winter/Summer Term
List courses that were taken during winter/summer terms:
- 
- 

Third Year
- EXSC 300 Health-Fitness Programs and Professions ............................... 4
- EXSC 317 Nutrition, Health and Human Performance ............................. 4
- XXXX XXX Allied Health Elective (3 of 6) ................................................ 4
- CHEM 121 General Chemistry I ............................................................... 4
- OR
- PHYS 121 General Physics I ................................................................. 4
- 16/77-78

Winter/Summer Term
List courses that were taken during winter/summer terms:
- 
- 

Fourth Year
- XXXX XXX Allied Health Elective (6 of 6) .............................................. 3
- EXSC 462 Clinical Exercise Physiology .................................................... 4
- EXSC 472 Stress Testing and Exercise Prescription ................................. 4
- ENGL XXX Gen. Ed. IB Literature Course .............................................. 4
- 15-16/107-110

Winter/Summer Term
List courses that were taken during winter/summer terms:
- 
- 

Exercises in Science Seminar ............................................................... 2
- 12/119-122

This Curriculum Guide is an unofficial tool for planning. Matriculated students and advisors should consult the Academic Requirements Report in GullNet before and after registering for classes each semester to track academic progress.
