Winter/Summer Term
List courses that were taken during winter/summer terms:

First Year
- PHYS 221® Physics I ..................................................4
- MATH 201 Calculus I ..................................................4
- HIST 10X Gen. Ed. IIA HIST 101, 102, or 103 ..............4
  12
- PHYS 223® Physics II ..................................................4
- MATH 202® Calculus II ..................................................4
- ENGL 103 Composition and Research ..........................4
  12/24

Second Year
- PHYS 225 Physics III ..................................................3
- CHEM 121 General Chemistry I ......................................4
- MATH 310 Calculus III ..................................................4
- HIST XXX Gen. Ed. IIB History course ..........................4
  15/39
- PHYS 313 Introduction to Modern Physics ....................3
- CHEM 122 General Chemistry II ....................................4
- MATH 311 Differential Equations I ...............................4
- ENGL XXX Gen. Ed. IIB Literature course ....................4
  15/54
