## RESPIRATORY THERAPY CURRICULUM GUIDE

**HEALTH SCIENCES SCHOOL • COLLEGE OF HEALTH & HUMAN SERVICES**

**NAME:_____________________________________________________ ID#:_________________________ DATE:_______________________**

### First Year
- **BIOL 215** Anatomy and Physiology I ........................................ 4
- **ENGL 103** Composition and Research........................................ 4
- **HLSC 201** Medical Terminology ................................................. 3
- **IIIB** Gen. Ed. Social Science course ........................................... 3-4 14-15
- **BIOL 216** Anatomy and Physiology II ......................................... 4
- **ENGL XXX** Gen. Ed. IB Literature course ...................................... 4
- **HIST 10X** Gen. Ed. IIA (HIST 101, 102 or 103) ............................. 4 15/29-30
- **MATH 155** Modern Statistics.......................................................... 3

**Winter/Summer Term**

List courses that were taken during winter/summer terms:
- [ ]
- [ ]

### Second Year
- **CHEM 121** General Chemistry I .................................................. 4
- **FTWL 106** Lifelong Fitness and Wellness ...................................... 3
- **HIST XXX** Gen. Ed. IIB History course ....................................... 4
- **IIIC** Gen. Ed. Social Science/Humanities course ............................ 3-4 14-15/43-45
- **CHEM 122** General Chemistry II ............................................... 4
- **BIOL 211** Microbiology................................................................. 4
- **IIIA** Gen. Ed. Humanities course ............................................... 4
- **RESP 210** Foundation Studies in Respiratory Care .......................... 3 15/58-60

**Winter/Summer Term**

List courses that were taken during winter/summer terms:
- [ ]
- [ ]

### Third Year
- **RESP 301** Patient Care Procedures............................................... 4
- **RESP 302** Basic Respiratory Procedures/Clinical Practicum ............... 5
- **RESP 303** Cardiopulmonary Physiology........................................... 3
- **RESP 322** Pharmacology ................................................................. 3 15/73-75
- **RESP 304** Cardiopulmonary Disease ............................................ 3
- **RESP 321** Advanced Respiratory Care .......................................... 4
- **RESP 323** Clinical Practicum II .................................................... 5
- **Elective** Needed for 120 credits .................................................. 4 16/89-91

**Winter/Summer Term**

List courses that were taken during winter/summer terms:
- [ ]
- [ ]

### Fourth Year
- **RESP 401** Neonatal and Pediatric Respiratory Care .......................... 4
- **RESP 402** Cardiopulmonary Diagnostics and Rehabilitation .............. 4
- **RESP 403** Clinical Practicum III ................................................... 5
- **RESP 404** Management Practices in Health Care ............................ 3 16/105-107
- **RESP 400** Fundamentals of Respiratory Care Research .................... 2
- **RESP 420** Respiratory Care Seminar ............................................. 4
- **RESP 424** Critical Care Specialization ......................................... 5
- **RESP 425** Diagnostics Specialization ............................................ 4 15/120-122

**Winter/Summer Term**

List courses that were taken during winter/summer terms:
- [ ]
- [ ]
