

New Faculty Tips & Tricks

Welcome to Salisbury University! We compiled this quick list to make your first semester at SU a little easier.

Classrooms are open 6 a.m.-Midnight daily. You need your Gull Card to access them. If you should find yourself locked out, try to find another faculty member to open the door for you. If no one else is around, contact **University Police** at **410-543-6222**, (dial 36222 from a campus telephone), or #787 from a Verizon cell. For emergencies, dial 911.

Should you encounter any problems or have questions regarding your email and GullNet access, contact the **Information Technology Help Desk** at **410-677-5454** (dial 75454 from a campus telephone), submit a ticket at **support.salisbury.edu**, or stop by the Help Desk in the Academic Commons (AC145).

A word about campus telephone numbers: Salisbury University's on-campus dialing pattern requires users to dial the last five digits of an individual's phone number. Outside callers must still dial the full 10-digit number to reach someone on campus.

- If your extension begins with 1, precede that number with 410-34.
- If your extension begins with 3, precede that number with 410-54.
- If your extension begins with 4, precede that number with 410-33.
- If your extension begins with 5, you cannot dial this number from the outside. This is an on-campus number only.
- If your extension begins with 6, precede that number with 410-54.
- If your extension begins with 7, precede that number with 410-67.
- If your extension begins with 8, precede that number with 410-54.

An ATM is located on the first floor of the Guerrieri Student Union, near the north entrance of the building.
