

New Faculty Tips & Tricks

Welcome to Salisbury University! We have compiled this quick list that will hopefully make your life a little easier in your first few days at SU.

Classrooms are open 6 a.m.-10 p.m. daily, you need your key card to access. If you should find yourself locked out, try to find another faculty member to open the door for you. If no one else is around, you should contact **University Police** at **410 543-6222** for assistance.

If something is not working in your classroom, contact **Classroom Technology Services** at **410 543-6230**.

Should you encounter any problems or have questions regarding your email and GullNet access please contact **Information Technology Help Desk** at **410 677-5454** or [salisbury.edu/helpdesk](mailto:helpdesk@salisbury.edu). From a campus telephone dial 75454.

A word about campus telephone numbers: Salisbury University's on-campus dialing pattern requires users to dial the last 5-digits of an individual's phone number. Outside callers must still dial the full 10-digit number to reach someone on campus.

- If your extension begins with 1, precede that number with 410-34.
- If your extension begins with 3, precede that number with 410-54.
- If your extension begins with 4, precede that number with 410-33.
- If your extension begins with 5, you cannot dial this number from the outside. This is an on-campus number only.
- If your extension begins with 6, precede that number with 410-54.
- If your extension begins with 7, precede that number with 410-67.
- If your extension begins with 8, precede that number with 410-54.

An ATM is located on the first floor of the Guerrieri Student Union, near the north entrance of the building.
