Procedures for Requesting this exemption from Non-Resident Tuition

Your institution has established deadlines for submission of exemption requests; however, requests are not to be submitted until you have been admitted to a USM institution. Once you are determined to be eligible for the exemption, you will continue to receive it as long as you fulfill the eligibility requirements or until the University no longer offers this exemption. The exemption covers the Nonresident Tuition differential and the Educational Fee differential charged to nonresidents. Applying for the exemption does not alter your responsibility to pay by the campus deadline any nonresident tuition and associated fees that may be due before your eligibility is determined. If you are granted the exemption, any differential will be refunded. For institution-specific instructions regarding documentation and deadline dates, contact:
