## DONNIE WILLIAMS SEA GULL BASEBALL STADIUM

Donnie Williams Sea Gull Baseball Stadium is the home of the Salisbury University baseball team. The new facility opened in the spring of 2018 and was renamed after SU alumnus Donnie Williams in 2022. The playing surface is entirely made of FieldTurf, except for the dirt pitching mound. The new field allows for fewer rainouts and delays due to the quick-drying nature of FieldTurf.

Williams Stadium features a wraparound grandstand that includes a chairback section directly behind home plate for optimal views. The stadium also features an inning-by-inning LED scoreboard, batting cages, press box, permanent ticket booths and large, heated dugouts.

## SU INDOOR AND OUTDOOR TENNIS CENTER

The Salisbury University Indoor Tennis Center and SU Tennis Center (outdoor) are home to the Salisbury University men's and women's tennis teams.

Salisbury's outdoor courts are located on Bateman Street, as part of the East Campus area, across from the track and Margie Knight Sea Gull Softball Stadium. There are 12 outdoor hard courts, six of which are lighted.

The Indoor Tennis Center features three courts and locker rooms and is located on Milford Street next to the University Fitness Center, which is on the corner of Wayne and Milford Streets.

## SU TRACK & FIELD COMPLEX

The Salisbury University Track & Field Complex, resurfaced in 2003, features an eight-lane, 400-meter oval and has hosted a number of local and regional championship meets, including the Capital Athletic Conference (CAC) and Coast-to-Coast Athletic Conference (C2C) championships on several occasions. The Bermuda grass infield is one of the finest in the Mid-Atlantic region.

## SU WEIGHT ROOMS

There are three different weight training rooms on the campus of Salisbury University. In the Maggs Physical Activities Center there is a weight room on the first floor and fitness room located on the second level. In 2003, a new weight room facility to be used by varsity student-athletes as well as the general student population was created. The University Fitness Center is located on the East Main Campus near the football and sports information offices.

## GERRY DIBARTOLO SEA GULL SOCCER COMPLEX

Opened for the 2017 season, and rechristened in 2023 in honor of longtime men's soccer coach and athletic director Dr. Gerry DiBartolo, the Gerry DiBartolo Sea Gull Soccer Complex has created a new and exciting environment for the men's and women's soccer teams. The facility, which sits on the same footprint as the old SU Soccer Complex, saw the fields overhauled with new seeding and drainage, with each field moved slightly to the south, allowing for other construction projects.

The area between the fields is new as of 2017, featuring permanent bleachers with seat backs and a new press box and sound system.

At the south end of the complex, a team room building stands with permanent bathrooms, a team room for each team, a concession stand and a locker room for officials.

## GREEN HILL COUNTRY CLUB

Green Hill Country Club is the home of the Salisbury University men's and women's golf teams. The club was established in 1927 with a nine-hole golf course, with an additional nine holes added in 1955. The 18-hole course measures 6,477 yards from regular tees, 6,929 yards from championship tees, and 5,975 yards from women's tees.

## **MAGGS PHYSICAL ACTIVITIES CENTER**

The Maggs Physical Activities Center is home to the Salisbury University varsity athletic program and Physical Education department. The main gymnasium, on the lower level, is home to the men's and women's basketball teams and the women's volleyball team. The main gym can seat over 2,300 fans and features a press box, wireless internet, sound system and an electronic scoreboard.

A recent addition to Maggs Physical Activities Center is the Recovery Zone, which features 16 full sets of Normatec compression gear, massage guns and other tools for student-athlete recovery, heated recliners, and a projector that allows full teams to use the space for film sessions. Many student-athletes, teams, coaches, and staff at SU utilize these resources.

There are both men's and women's general locker rooms along with varsity locker rooms on the first floor. The first floor is also home to the SU Campus Recreation office and the strength and conditioning office. There is a weight room on the first level and a fitness center upstairs. Also on the first level is the dance studio, racquetball courts, the pool, the athletic training offices and treatment rooms, the SU equipment room, and the brand-new Recovery Zone.

## **MAGGS PHYSICAL ACTIVITIES CENTER SWIMMING POOL**

The Maggs Physical Activities Center Swimming Pool is home to the Salisbury University men's and women's swimming teams.

The facility boasts a six-lane, 25-meter pool. There are men's and women's locker rooms available to be used by visiting teams and patrons.

## **MARGIE KNIGHT SEA GULL SOFTBALL STADIUM**

Margie Knight Sea Gull Softball Stadium opened in March 2017 with a sellout crowd of 500, including nearly 100 alumni of the program as players, coaches and support staff who were on hand to throw out ceremonial first pitches.

On May 6, 2023, the stadium was renamed in honor of SU Athletics and NFCA Hall-of-Famer Margie Knight, who won 846 as head coach of the Sea Gull softball team from 1996-2020.

Knight Stadium features seating for 500, a permanent ticket booth and bathrooms, as well as seating area wireless internet access for fans. The playing surface features a clay infield and artificial turf outfield, along with large, heated dugouts.

Other amenities include a press box, four batting cages and a conveniently located home and visiting bullpen.

Knight Stadium has hosted the NCAA Tournament on six occasions (2022-24 Regional/Super Regional).

## **SEA GULL STADIUM**

Sea Gull Stadium is home to the SU field hockey, football, men's and women's lacrosse teams. The stadium, which holds a seating capacity of 5,000, was originally built in 1980 and has undergone two major upgrades.

The stadium received a new playing surface in the summer of 2007 when A-Turf replaced the grass field. Along with a new surface, lights were installed in the fall of 2007. The installed lights allowed the teams to play night games and practices throughout the year, offering ease in scheduling.

# SALISBURY UNIVERSITY PRESIDENT

## DR. CAROLYN RINGER LEPRE

Dr. Carolyn “Lyn” Ringer Lepre became Salisbury University’s 10th president on July 15, 2022. She came to the Delmarva Peninsula from Radford University in Virginia, where she formerly served as interim president.

At Salisbury, she has set goals of increasing enrollment and retention rates; creating a plan to increase the sense of belonging across campus; making SU a top 25 campus in *U.S. News & World Report* rankings; placing a greater emphasis on study abroad and study away programs; creating a facilities plan to attract students and support high-quality educational experiences; restructuring the SU budget to ensure the University’s spending is the most strategic it can be; adding new varsity sports; creating 100 new endowed scholarships as part of fundraising efforts for the University’s 100th anniversary in 2025; and continuing to tell the SU story through its “Make Tomorrow Yours” brand.

Lepre began her academic career as a faculty member at California State University, Chico; the University of Tennessee, Knoxville; and Marist College in Poughkeepsie, NY. During her tenure at Marist, she served as chair of the Department of Communication and director of the college’s Honors Program. In 2013, she was named assistant dean of Marist’s School of Communication and the Arts, advancing to interim dean in 2014 and then dean in 2016.

She joined Radford as provost and vice president for academic affairs in 2020. In that position, she collaborated with the academic leadership team and the student-centered faculty and staff to advance critical initiatives designed to foster the delivery of high-quality academic programs and experiences, and support the University’s strategic plan.

These endeavors included launching the Academic Success Center; launching a distinctive new general education curriculum, which empowers students to be in control of their coursework from day one and provides an individualized path

to degree completion; establishing a stand-alone School of Nursing; establishing a partnership with the Appalachian School of Law that created dual-degree programs; and developing three online fast-track degree programs (R.N.-to-B.S.N., M.B.A., and M.S.N.).

In addition to her academic work, Lepre has extensive professional experience in the communication industry, having worked for various national publications and media outlets. Her research has focused on media representation of gender and diversity, health communication and mass communication education, and she has published more than 40 book chapters, refereed journal and conference articles. She also is the co-author of *U.S. Media and Diversity* (Wiley-Blackwell), now in its third edition.

Lepre earned her B.A. in English and journalism at Miami University (OH), her M.S. in journalism from Ohio University and, her Ph.D. in mass communication from the University of Florida.

## THE SALISBURY SEVEN

*During SU President Carolyn Ringer Lepre’s inaugural State of the University Address she outlined the pursuit of specific goals and initiatives aligned with seven priorities – the Salisbury Seven:*

1. We will invest in the people who deliver on our promises to students
2. We will provide a rigorous, student-centered academic program led by world-class educators on a world-class campus
3. We will maintain a continual commitment to access, opportunity, equity, and foster a strong sense of belonging
4. We will pursue strategic growth to meet the needs of the Eastern Shore, Maryland, and the nation, while staying true to our identity as a student-focused institution
5. We will be recognized for innovative, high-impact practices and for educating the whole student for a lifetime of leadership and service
6. We will secure resources to support SU programs, students, and culture
7. We will strengthen our institutional identity and reputation

# SALISBURY, MARYLAND

Perfectly located between Atlantic Ocean beaches and the Chesapeake Bay, the City of Salisbury is the largest city on the Eastern Shore of Maryland and the economic and cultural hub of the Delmarva Peninsula. *U.S. News & World Report* has rated Salisbury among the nation's top 20 Fastest Growing Cities and Safest Places to Live, and in the top 100 Best Places to Live. Realtor.com has called Salisbury the No. 1 Best College Town for Families.

SU boasts a strong relationship with the city and its leaders, and contributes to an engaged community fostering an exciting downtown revitalization. The city is home to an arts and entertainment district, the Salisbury Zoo, and City Park, and is surrounded by a region known for its charming small towns and refreshing outdoor activities. The city and campus are close to Ocean City, MD, and two hours from the metropolitan areas of Washington, Baltimore and Philadelphia.
