

SALISBURY UNIVERSITY FACULTY SENATE MOTION

Submit this form to the Faculty Senate President

SUBJECT: Approving the updated appendices from the GEOC standing rules.

SENATOR PROPOSING MOTION: José I. Juncosa, Jr.

SENATOR SECONDING MOTION:

MOTION: That the Faculty Senate approve the updated appendices to the GEOC Standing Rules as submitted to the Senate accompanying this motion.

Amendments made at the meeting:

JUSTIFICATION: After the initial approval of the appendices to the Standing Rules last semester, the GEOC was asked to standardize their format. This process was carried out, resulting in documents with similar presentations that also keep most of the content and intent of the original forms. Since the changes in layout and formatting were considerable, we believe that the Faculty Senate should sign off on these changes by approving the modified documents

ANTICIPATED IMPACT:

Negative: None.

Positive: Approving these sections will make it easier for Faculty to navigate all the different forms involved in the submission of course proposals for our new General Education categories.
