

SALISBURY UNIVERSITY FACULTY SENATE MOTION

Submit this form to the Faculty Senate President

SUBJECT: Updating Faculty Handbook related to Faculty Awards and Recognition Committee and honorary degrees

SENATOR PROPOSING MOTION: Erin Weber

SENATOR SECONDING MOTION: Anita Brown

MOTION (this section alone will be recorded in the minutes):

Resolved, the Faculty Senate recommends the following changes to the Faculty Handbook Chapter 1: Honorary Degrees (**highlighted in yellow**):

1. Salisbury University may award honorary degrees at commencement exercises on the basis of recommendation by the **Faculty Awards and Recognition Committee** and approval of the Provost, President and the Board of Regents of the University System of Maryland.
2. Deadline for nominations to the Chancellor is the end of the fall semester. The Education Policy Committee will review all nominations and make recommendations to the full Board, which will take action during the February meeting.
3. Care should be taken to ensure strict confidentiality at all stages of the honorary degree process. There should be no communication with prospective degree recipients regarding a likely degree until after the Board of Regents has approved the award. Approvals shall remain confidential until the candidate is notified of their selection. Degrees may be conferred at any time within five years of approval, unless withdrawn by the Board of Regents for cause.
4. **Students, faculty, administration, and alumni can propose candidates for consideration to the chair of the Faculty Awards and Recognition Committee by November 1st. Once nominations are received, the FARC reviews and makes recommendations to the Provost.**
5. There is no expectation that Salisbury University will award one or more honorary degrees at each commencement exercise.
6. **Normally, honorary degrees may not be conferred on currently serving faculty, staff, members of the Board of Regents, or current holders of political office (elected or appointed).**
7. **The Faculty Awards and Recognition Committee** may use any or all of the following criteria in selecting candidates it will recommend for honorary degrees:
 - a. The candidate should have, but not necessarily be limited to, some ties to the region predominately served by Salisbury University (e.g., Eastern Shore; Mid-Atlantic).
 - b. Candidates may be considered on the basis of intellectual or academic achievement consistent with the mission of the institution.
 - c. Candidates may be considered on the basis of philanthropic inclination.

JUSTIFICATION:

To align the Honorary degree awarding process in the Faculty Handbook with the charge of the Faculty Awards and Recognition committee that is stated in the Faculty Senate bylaws.

When FARC was created and approved with the charge of receiving, reviewing, and making recommendations to the provost for honorary degrees, the faculty handbook was not updated at that time to reflect the FS bylaws.

All nominations for an honorary degree must be submitted to the Chancellors office by the end of the fall semester (mid-December). The president's office needs 2-3 weeks to consider and forward the nomination to the chancellor's office. The November 1 deadline, would give FARC ~3 weeks to review and recommend to the provosts office and then an additional ~3 weeks for the president to review and forward the recommendation to the Chancellor.
