SENATOR SECONDING MOTION: Thomas Lamey

MOTION (this section alone will be recorded in the minutes):

The Faculty Senate formally recognizes and congratulates Salisbury University faculty members involved in activities aligned with the Carnegie Foundation's Elective Classification for Leadership for Public Purpose (LPP).

JUSTIFICATION:

Leadership for public purpose (LPP) is defined by the Carnegie Foundation as a commitment to advancing the betterment of society and promoting the dignity and general welfare of all its members. LPP is reflected in coordinated institutional policies, programs, and practices that enhance the development of ethical leadership capacity among all stakeholders in service of the collective public good. At Salisbury University, leadership for public purpose is the practice of integrity, civic responsibility, and inclusivity to influence meaningful learning and empower ourselves and others to engage in active citizenship for the common good. As part of the University's current application to attain the ***Carnegie Classification for Leadership for Public Purpose***, inclusion of such language will fulfil one of the requirements of the classification.

ANTICIPATED IMPACT:
