

GRADUATE STUDENT COUNCIL MINUTES  
FEBRUARY 20, 2013

- Sustainability fee
  - Proposed by SGA for "Green Board"
  - \$4
  - While we have difficulty understanding our current fee allocation, this is very specific
    - Julia needs to get Alan Seltzer to come speak to us
  - We want to know more about our fees before we make an official statement.
- SUSRC wants grad participate
  - Grads don't know that they can participate
  - Grad is at another level of research
  - Need to be differentiated?
  - Students would be willing to participate
  - How do they envision incorporating grad students?
  - Reach out to grads through research and capstone classes, advisors, program directors, email, facebook
- Coffee hour- Feb 27: 4-5:30pm, Perdue
  - Marshall, Kelsey, Lubi - set up 3:30pm
- Relay- Join the team.
  - Need at least 8 people for a site please
- Stipends
  - 1500 increase per semester next year
  - 1000 increase year after that
