

4/17/25

Present: Danielle Jensen, Abbey Murphy, Abbey Isaacson, Kennedy Corley

Gabby: Mental Health Day and plans to share notes and updates via shared word document.

Took time to complete the USM Survey

- Discussed each section and came up with answers as a group.
- Talked about the potential for a graduate assistant committee.

Asked committee members to review bylaws of

<https://www.salisbury.edu/administration/campus-governance/consortium/bylaws.aspx>

I also want to share the attached document on GA stipends with you. Last summer, the Faculty Senate looked into different compensation models for various tasks, including graduate assistants. The data comes from the Dean of the Graduate School, Clifton Griffin. It shows that a 3% raise for all GAs would cost the university less than \$14,000, which is not much. You might want to use this to lobby for more money.

- Executive applications and what our role is in the process of transitioning. When can we expect the transition.
- Will it be done by the next assembly?

Updates from Jessica:

- Dogwood cleaning out and when, no location has been set but jessica will follow up.
- Stoll's are in the bookstore and available to pick up.
  - o Abbey and Dani's to admissions.

Grad 101:

Students that attended: Chris Knorr, AJ Fontaine, Peyton O'Brien

Lack of engagement, low turnout. Cohorts need to be the main priority in planning and processes. For the incoming exec, trying to target cohorts when planning and preparing event ideas.

Dani: Orders have been sent to Jessica for the Earth Day Event

SGA Earth Day event 22<sup>nd</sup> 12-3

Feel free to stop by and table with us.

Kennedy is sending a flyer and promotion to Jessica and creating Instagram posts.
