

## **SU President's 21-Day Anti-Racism Challenge**

### **Day 4: Reflection Questions**

- What is one word or feeling that is coming up as you saw images of slavery in the video?
- What did you learn about race growing up? Think deeply about how that impacted you as you evolved into an adult.
- What were your thoughts on the narrative of racial difference that Bryan Stevenson brought up and it being perpetuated even today?
- What can you do to break the silence about race and its impact on our society today and in the future? What will you commit to doing to break the silence on race?
