

SU President's 21-Day Anti-Racism Challenge

Day 7: Reflection Questions

We could add Breonna Taylor, Sandra Bland and others to this story about intersectionality and why some stories are not seen or heard.

- What thoughts and feelings are coming up for you as you see the images and hear the stories of women killed?
- What thoughts and feelings are coming up for you as they sing "Say her Name"?
- Think about the difference in response to the Capitol riots on January 6, 2021 versus what happened to Miriam Carey, the story of the young Black woman killed in her car at the Capitol making a U-turn with her baby strapped in the back seat.
