Policy on Recognition for Sororities and Fraternities

SALISBURY UNIVERSITY POLICY ON RECOGNITION OF SORORITIES AND FRATERNITIES

Sororities and fraternities have a historical association with Salisbury University. When managed responsibly by inter/national headquarters, graduates, alumni, local chapters, and officers they offer students valuable social and learning experience. It is the policy of the University, therefore, to offer eligible sororities and fraternities an opportunity to fulfill this purpose by extending them certain privileges, services, and resources. This policy on Recognition of Sororities and Fraternities explains how sororities and fraternities become recognized within the Office of Fraternity and Sorority Life and thereby eligible to receive support from the University.

This policy supplements the [Center for Student Involvement and Leadership Registration Guidelines](#) and establishes special requirements for social sororities and fraternities. This policy is limited to social sororities and fraternities and does not apply to other student organizations, groups, clubs, or honor societies even if their names include Greek letters. The University reserves the right to discontinue or modify these privileges and services, to specially limit eligibility, and to offer them on a selective basis.

SECTION I: BENEFITS OF RECOGNITION

Sororities and fraternities that have been granted recognition by Salisbury University Office of Fraternity and Sorority Life (FSL) are eligible to receive the following University privileges, resources, and services:

- B. Direct advising, coaching and chapter support from FSL full-time and graduate student staff

SECTION II: RECOGNITION REQUIREMENTS

Recognition is granted by FSL upon demonstrating that the sorority or fraternity is responsibly managed, fiscally reliable, a responsible steward of university property, a constructive member of the campus community and its members willing to observe the rules and laws of the community. In keeping with the expectation that sororities and fraternities be responsibly managed and participate as constructive members of the community, as a rule, recognition will be granted to the sorority or fraternity chapter under the following conditions:

SECTION III: RECOGNITION PROCESS

A new sorority or fraternity will be considered for recognition upon application to FSL. The organization will provide information as described in the *Expansion and Reactivation Policy document*. FSL will provide a determination on the Letter of Intent to grant recognition. The decision will be considered final upon approval by the Coordinator of Fraternity and Sorority Life and Director of Center for Student Involvement and leadership (CSIL).

For chapters recognized the previous year, submitting a Chapter Development Plan Reflection will be considered an application for continued recognition. Recognition is not automatically renewed and will be granted for one academic year. Once recognized, a chapter is expected to meet the requirements of recognition continually. Probationary Recognition may be granted with conditions designed to assist the sorority or fraternity to comply with university requirements.

SECTION IV: RECOGNITION STATUS

At the conclusion of each academic year, Salisbury University Office of Fraternity and Sorority Life Staff will holistically assess each chapter's progress and performance in meeting all recognition requirements as outlined in Section II of this Policy on Recognition.

Each chapter will receive a Recognition Letter before the academic year starts outlining their Recognition status. Chapters that have met all recognition requirements can fully participate in the community. Chapters that do not meet the recognition requirements will be placed on a probationary status which will include an individualized chapter support program and may include restrictions such as:

- A. required educational programs
- B. no social events for one semester or one academic year (on or off campus)
- C. cannot participate in community-wide programs such as Homecoming or FSL Fest on any level
- D. cannot participate in intramurals for one semester or one academic year
- E. cannot participate in some or all Step Shows/Yard Shows
- F. other conditions will be determined on a case-by-case basis

Maintaining Probationary Recognition status for two consecutive years is grounds for immediate removal. Chapters that do not achieve Recognized Status after two consecutive years of Probationary Recognition and wish to maintain recognition will be given the opportunity to demonstrate and prove why the chapter should continue to exist on campus through a Show Cause Hearing.

Show Cause Hearing: After two consecutive years of Probationary Recognition, or at the request of the coordinator, chapters will participate in a Show Cause Hearing. During the Show Cause Hearing, the chapter will be expected to address efforts and plans related to the unmet requirements or behavioral concerns listed in their recognition status letter and/or Show Cause Hearing notice. The chapter should also address any initiatives, programs, or goals that would allow FSL staff to have a clearer vision for the chapter's potential success if recognition is continued. Chapter members should collaborate with advisors and regional volunteers in developing the presentation. The presentation should be no longer than 30 minutes. The outcome of a Show Cause Hearing is either (1) a final year of probationary recognition or (2) revocation of recognition.

SECTION V: REVOCATION OF RECOGNITION

Recognition status may be changed or revoked at any time by FSL for a pattern or incident of misconduct, criminal activity, fiscal default, or neglect by:

- A. any officer or member of the sorority or fraternity when representing the organization
- B. a resident on premises owned, leased, or licensed by Salisbury University
- C. an invitee or guest of the sorority or fraternity

which, in the judgment of the FSL coordinator, poses an unacceptable risk of harm to persons or property, including liability or monetary loss to the University or community.

Normally, a sorority or fraternity whose recognition is revoked will not be eligible to reapply for recognition for at least four (4) years.

SECTION VI: APPEALS

Chapters wishing to appeal their recognition status, corresponding conditions or revocation of recognition may submit to the coordinator a written appeal within ten (10) business days of receipt of the notice.
