## Notes

- 1. All prices are based on per diem rate. Prices may be adjusted when full conference services are needed, such as housing, food service, or multiple day use of facilities.
- 2. Prices quoted for classrooms and meeting rooms are based only on the room being used for routine meetings that allow the facility to be used "as is" and require normal custodial and security services.
- 3. Prices for auditoria use include a cleared, clean stage, and use of house lights and house PA system with one microphone. Any advanced set-up of the facility, such as lighting, sound, etc., shall be in addition to the rental fee. Staff and technical equipment during the activity shall be determined and invoiced separately.
- 4. The University reserves the right to require supervision by University staff and/or police of its auditoria,

gymnasium, and other facilities while in use by off-campus organizations. Salaries for personnel required to supervise the facility or to assist with parking and/or control must be paid by the lessee and will be in addition to rental fees and other assessed charges.

- 5. The use of Physical Education facilities are normally limited to times when the University is not in session. Specific exceptions may only be made with the approval of the Department of Physical Education and/or Athletics Department. Rental rates for the gymnasia include use of the arena and house PA system only.
- 6. All prices are subject to change each year.
- 7. Alcoholic beverages will not be permitted at or around any University facilities without appropriate departmental approval.
- 8. Rates for Commons indicate exclusive use of the room. The rates do not refer to going through the Market Place.
- 9. Audiovisual equipment is not included in the facility fee. Additional fees will apply for technical equipment and staff support.

- 10. Additional fees will apply for events scheduled during non-campus building hours; rates for services may vary per building to include a building supervisor, custodial services and technical staff support.
- 11. An Event Planner (fees apply) is required on site when the Alumni House is open; rehearsals on Friday must start after 5 p.m. Rental and payment of chairs, tables or tents is the customer's responsibility. Availability of a rain location will be determined. Additional terms and conditions apply.
- 12. Atrium Lobby area is not available for non-academic events while classes are in session during academic year. (To be determined and discussed with Conference Planning) Setup of this area must first be discussed with Conference Planning and Catering Manager before use of facility is determined.

## \*Non-profit groups are defined as those groups having a Federal ID for non-profit status.

A qualified organization must be a corporation, trust, or unincorporated association. Individuals and partnerships generally will not qualify for tax-exempt status. Furthermore, the organization must meet the following requirements.

- ---It must be organized and operated exclusively for a charitable purpose.
- ---Net earnings may not inure to the benefit of any private individual or shareholder.
- --- No substantial part of its activity may be attempting to influence legislation.
- ---It may not intervene in political campaigns.
- ---No part of the purposes or activities may be illegal or violate fundamental public policy.
