MORE THAN HOUSING –
*your guide to off-campus
life in Salisbury*

If you're thinking about living off campus, we encourage you to attend **Salisbury University's Off-Campus Housing & Community Fair!**

Join the **Student Government Association, Off-Campus Housing Services, local area landlords/property owners, and community partners** for an in-person event designed to help you navigate the move from on-campus to off-campus living.

AT THE FAIR, YOU CAN:

- Meet face-to-face with off-campus housing property owners and landlords
- Learn about available housing options and ask questions directly
- Connect with campus and community resources that support off-campus living

Whether you're still searching for housing or preparing to transition off campus, this event is a one-stop opportunity to explore housing options and learn about the resources available to support you in the Salisbury community.

PLEASE NOTE: Salisbury University has a two-year residency requirement. First-year and sophomore students are required to live on campus.

VISITOR & EVENT PARKING INFORMATION: In order to make sure you find parking close to your event location, please see the [parking lot map](#). Visitors must register for a Visitor Parking Permit. The pass may be obtained free of charge online at salisbury.edu/visitor-parking.

SU is an Equal Opportunity/AA/Title IX university and provides reasonable accommodation given sufficient notice to the University office or staff sponsoring the event or program. For more information regarding SU's policies and procedures, please visit salisbury.edu/equity.
