

2017-2018 Parent FAFSA Refusal Form

Federal regulations give schools the authority to allow a student to borrow a Federal Direct Unsubsidized Loan when the student's parents have ended all financial support and have refused to complete and sign a Free Application for Federal Student Aid (FAFSA). Students who request consideration for the loan should read the rest of this form and have one parent complete and sign the form. Note that this form does not allow a student to apply for financial aid as an independent student. Students must understand that they are requesting only an unsubsidized loan subject to the limits for dependent students. No other federal, state, or university need-based aid will be available, including the Federal Direct Parent PLUS Loan.

Although the Financial Aid Office may waive the requirement for parent income and asset information on the FAFSA, the student must complete and submit a FAFSA that includes all of the required student information and certifications.
