

2018-2019 Federal Parent PLUS Loan Additional Funds Request Form

Dear Parent,

As you are aware the Federal Parent PLUS loan promissory note you previously completed is referred to as an Electronic Master Promissory Note (E-MPN). Because the E-MPN is not connected to a specific loan or loan amount, but rather to the loan applicant, this allows you to request additional Parent PLUS loan funds without completing another loan application or E-MPN.

If you wish to borrow an additional Parent PLUS loan, you, the PARENT, must complete the below section. ****Please note: The parent completing this section must be the SAME parent that completed the initial Parent PLUS loan application and E-MPN on studentloans.gov****

I, the parent of _____ SU ID _____, wish to
(Student Name)

borrow an additional \$ _____ in a Federal Parent PLUS loan.

❖ The loan period for which I wish to borrow is: (check only ONE)

The additional amount requested may not exceed the student's cost of attendance (budget) minus all current financial aid.
