

Salisbury University Requirements for Admission to the Perdue School of Business

To help you make tomorrow yours at SU, we share with you what you need to do to apply to and be accepted into the Perdue School's Professional Program.

The Perdue School of Business has "gated" programs, which means you need to meet certain requirements in order to take upper-division business courses and gain entry into the Professional Program. Students seeking a Bachelor of Science with a major in Accounting, Finance, Information Systems, Management, Marketing, Business Economics or International Business are admitted to Salisbury University as pre-professional business students. *(Students seeking a Bachelor of Arts in Economics do not apply to the Professional Program.)*

Professional Program admission requirements include the following:

- Complete at least 56 credit hours, including General Education requirements, and at least 26 credit hours of pre-professional business courses.
- Within the pre-professional business courses (see below), you must have completed at least 9 courses, 5 of which must be: BUAD 200, MATH 155, MATH 160 or 201, ACCT 201, and ECON 211 or 212.
- Pre-professional business courses may be repeated one time only and any repeated courses must be successfully completed at Salisbury University. Students who repeat a course more than once will not be admitted to the Professional Program.
- Students applying for the Business Economics major must receive grades of C or better in all pre-professional business courses with a pre-professional GPA of **2.5** or higher.

Students applying for Accounting major must receive grades of C or better in ACCT 201, ACCT 202 and ACCT 248, and grades of D or better in the other pre-professional courses with a pre-professional GPA of **2.5** or higher.

Students applying for Finance, Information Systems, International Business, Management, or Marketing majors must receive grades of D or better in all pre-professional business courses with a pre-professional GPA of **2.5** or higher.

The pre-professional business courses are:

ACCT 201	Introduction to Financial Accounting	3 Credits
ACCT 202	Introduction to Managerial Accounting	3 Credits
