Centennial Alumni Spotlight

What was your favorite memory?

My absolute favorite memory from my time at Salisbury State College was the energy of the 1985 NCAA Division III football championship. As a cheerleader, I had a front-row seat to the most iconic season in our school's history. We were riding high on 14 straight wins, and the entire campus was buzzing with Sea Gull pride. The journey to the Stagg Bowl in Alabama felt like a true community triumph. I'll never forget how the parents rallied together to charter a plane so we could all travel as one big family. Flying down to Alabama, and being in the cabin was just so fun! Coach McGlinchey was a class act and played a huge role in making that year so special. He was truly the best, always making sure the cheerleaders felt like an integral part of the team's success. He understood that our energy on the sidelines fueled the players on the field.

Though we ultimately lost a hard-fought game to Augustana, the sting of the scoreboard couldn't take away from what we had achieved.
