Your Best School Year Ever:
Hilarious Stories, Professional Growth, and
Inspiration to Transform Your School Year

Wednesday, April 8, 2026

Holloway Hall, Jackson Family Auditorium | 7 p.m.

Garcia is the only five-language-speaking motivational comedian on the planet! He empathizes with diverse students who face challenges because he was once considered an “at-risk student” himself, defying the odds to graduate with a bachelor’s degree and then earn his master’s degree. Garcia has motivated children and mature adults in some of the greatest metropolitan cities of the world: Los Angeles, New York, São Paulo, Paris, and London. His upbringing facilitated his multiculturalism/multilingualism, making it easy for him to relate to diverse audiences. While his native languages are English and Spanish, Garcia has also presented in French and Portuguese in his international tours. (He also speaks Italian, bringing his language total to five – for now.)
