

COVID-19

STUDENT MONTHLY TESTING

For SU students who need access to campus for classes, work, study, dining, housing, etc.

Starting November 23, 2020, SU community members who have tested positive for COVID-19 will receive a 30-day exemption from the testing requirement (status is managed by Campus Health [CH]); otherwise, everyone is tested every 30 days.

Students who test positive or are quarantined may consult the [Process for Requesting Course Modifications](#) after Open Enrollment.
