

# COVID-19

# STUDENT SCREENING & TESTING

## COMING TO CAMPUS OR TAKING A CLASS? (ON CAMPUS OR REMOTE)

- Take temperature
- Complete daily symptom screening

### APPROVED SCREENING (CLEARED TO ENTER)

Passed daily screening questions, have no symptoms and no fever.

### REPORT TO CAMPUS

Make sure your Gull Card is visibly displayed on a lanyard or other means.

### FAILED SCREENING (ENTRY DENIED)

Answered yes to a screening question, have symptoms or a fever.

- Student begins self-quarantine until cleared by Campus Health and does not come to campus. Student should contact their instructor regarding any missed F2F classes or coursework. See [SU's Course-Related Policies and Resources](#) for more information.
- Student is to notify Campus Health of failed screening at [campushealth@salisbury.edu](mailto:campushealth@salisbury.edu) or 410-677-0006.
- The Campus Health line will evaluate the student for possible COVID-19 symptoms or exposure. (Student may also contact their Primary Care Provider.)

### CLEARED TO RETURN TO CAMPUS BY CAMPUS HEALTH

**Report to campus.** Make sure your Gull Card is visibly displayed on a lanyard or other means. (If evaluated or tested by Primary Care Provider, student must present Return-to-Campus note to Campus Health.)

### NOT CLEARED TO RETURN CAMPUS

- Student testing positive will self-isolate based on guidance from Campus Health and **not come to campus.** (Students living on campus should self-isolate at home if at all possible.) Contact Student Affairs for additional resources and support. (Positive results to be reported to Campus Health from the student.)
- Campus Health will contact the WCHD\* and the University Contact Tracing Team to begin contact tracing.
- Student may return to campus **after cleared by Campus Health.** Return-to-Campus note from Primary Care Provider must be given to Campus Health.
- Student who has had close contact with a person testing positive should self-isolate at home if at all possible or in their local residence the recommended number of days given by Campus Health even if they have no symptoms or had a negative COVID-19 test done during quarantine.
