

COVID-19

FACULTY & STAFF SCREENING & TESTING

WORKING TODAY? (CAMPUS OR TELEWORKING)

- Take temperature
- Complete daily symptom screening

APPROVED SCREENING (CLEARED TO ENTER)

Passed daily screening questions, have no symptoms and no fever.

REPORT TO WORK

Make sure your Gull Card is visibly displayed on a lanyard or other means.

FAILED SCREENING (ENTRY DENIED)

Answered yes to a screening question, have symptoms or a fever.

- Employee begins self-quarantine until cleared by the Campus Medical Advisor and does not come to work or campus.
- Employee to contact Campus Health at campushealth@salisbury.edu or 410-677-0006 and notify immediate supervisor of failed screening. You will be advised of the next steps and when to return to campus.
- Employee should contact their Primary Care Provider or Campus Health at campushealth@salisbury.edu or 410-677-0006 for an evaluation of possible COVID-19 symptoms or exposure. (The Campus Medical Advisor will help facilitate testing if needed.)

CLEARED TO RETURN TO CAMPUS BY WCHD* / PRIMARY CARE PROVIDER

Report to Work. Make sure your Gull Card is visibly displayed on a lanyard or other means. (Return-to-Work note must be provided to the Campus Medical Advisor.)

NOT CLEARED TO RETURN CAMPUS

- Employee testing positive will self-isolate and **not report to campus.** (Positive results to be reported to the Campus Medical Advisor by employee.)
- The Campus Medical Advisor will contact the WCHD* and the University Contact Tracing Team to begin contact tracing.
- Employee may return to work after cleared by the Campus Medical Advisor. Return-to-Work note must be provided to the Campus Medical Advisor.
- Employee who has had close contact with a person testing positive should stay home the recommended number of days given by the Campus Medical Advisor even if they have no symptoms or had a negative COVID-19 test done during quarantine.
