IMPORTANT: This is a legal document. Please read and understand before signing.

ASSUMPTION OF RISK. We understand, recognize, and acknowledge that our child's participation in Salisbury University's (the "University's") Intercollegiate Athletics Program, Club Program, or Intramural Program (including participation in any tryout, training, conditioning, workout, practice, game, and travel to and from such activities) can be a dangerous activity and can involve many risks of serious injury and/or death. We understand that the dangers and risks include, but are not limited to, serious neck and spinal injuries, which may result in complete or partial paralysis, brain damage, concussion, serious injury to internal organs, bones, joints, ligaments, muscles, tendons, and other parts of the skeletal/muscular system, as well as other serious injuries or impairment to our child's body, general health, and well-being. We understand that the dangers and risks of our child's participation in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program can also include impairment of our child's future ability to earn a living, engage in educational, occupational, social, and recreational activities, and generally enjoy life. We acknowledge that it is our child's responsibility to read, understand, and obey the University's instructions and rules for his/her participation in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program and to seek help from the coaching, athletic training, and other staff if he/she has questions. We understand that, notwithstanding precautions taken by the University and its employees, agents, and representatives, there are risks of serious injury and/or death. We are voluntarily allowing our child to participate in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program with full knowledge of the dangers and risks involved. We voluntarily assume and accept any and all risks of loss, damage, illness, or injury to our child's person or property which he/she may sustain as a result of his/her participation in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program (including his/her participation in any tryout, training, conditioning, workout, practice, game, and travel to and from such activities).

WAIVER AND RELEASE OF LIABILITY. In consideration of the University permitting our child to participate in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program, we, on behalf of ourselves and our child, do hereby waive, release, and forever discharge the University, the University System of Maryland and its Board of Regents, and their respective administrators, officers, employees, agents, and others acting on their behalf (collectively, "Releasees") from any and all claims and causes of action of any kind or nature whatsoever which may arise out of, or relate in any way to, our child's participation in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program (including our child's participation in any tryout, training, conditioning, workout, practice, game, and travel to and from such activities), including any claims or causes of action arising in whole or in part from the negligence of the Releasees. We understand that our child is participating in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program at his/her own risk, and we agree that neither we nor our child will bring any claim or cause of action of any kind or nature against the Releasees arising out of, or related to, our child's participation in the University's Intercollegiate Athletics Program, Club Program, or Intramural Program.

This Assumption of Risk and Release of Liability Agreement shall be governed by, and interpreted according to, Maryland law. If any of its provisions are declared illegal, unenforceable, or ineffective, such provisions shall be deemed severable, and all other provisions shall remain valid and binding.
