ROLE OF CLUB SPORT COACHES/INSTRUCTORS

Coaches must acknowledge and respect the leadership positions held by the student officers and abide by all decisions made by this group. Recommendations made by the coaches will be considered, but final decisions will be made by the officers and/or club because they are ultimately held accountable. The expected roles of a Sport Club coach/instructor are:

- To follow all University and Department policies and guidelines relative to SU Sport Clubs
- To be involved strictly with coaching/teaching the team in practice and competition and must refrain from participating in other areas of club management (student officers serve as the liaison between the club and the Department of Athletics and Campus Recreation, **not the coach or instructor**).
- To be a positive role model for all club participants
- To provide proper supervision
- To select goals that are attainable and realistic challenges
