COMING TO CAMPUS TODAY?

- Complete daily symptom screening
- Take temperature

APPROVED SCREENING (CLEARED TO ENTER)

Passed daily screening questions, have no symptoms and no fever.

REPORT TO CAMPUS

Make sure your Gull Card is visibly displayed through a lanyard or other means.

NEGATIVE COVID-19 TEST OR CLEARED BY STUDENT HEALTH SERVICES

*Report to campus.* Make sure your Gull Card is visibly displayed through a lanyard or other means. (If evaluated or tested by Primary Care student must present Return-to-Campus note to Student Health Services.)

POSITIVE COVID-19 TEST

- Student will self-isolate based on guidance from Student Health Services and **not report to campus.** (Resources and support will also be provided by Student Affairs) *(Positive results to be reported and received by Student Health Services from the WCHD or Student.)*
- Student Health Services will contact the WCHD and the University Contact Tracing Team to begin Contact Tracing.
- Student may return to campus after cleared by Student Health Services. Return-to-Campus note from Primary Care must be given to Student Health Services.

FAILED SCREENING (ENTRY DENIED)

Answered yes to a screening question, have symptoms or a fever.

- Student begins self-quarantine until cleared by Student Health Services and does not come to campus.
- Student is to notify Student Health Services of failed screening at 410-543-6262. University will also be notified of failed screening.
- Student Health Services will evaluate the student for possible COVID-19 symptoms or exposure. *(Student may also contact Primary Care Physician.)*
